1.4.1:

(3) ACTION TAKEN RPORT ON FEEDBACK ANALYSIS DURING THE ASSESSMENT PERIOD.

1.Students:

Feedback: Students, a key stakeholder group, provided positive feedback regarding the preparedness and encouraging nature of teachers. They appreciated the use of modern teaching aids such as PPTs, web resources, and video lectures. Students acknowledged the utility of support systems like the library, placement cell, and examination cell. The existence of a well-defined Grievance Redressed Mechanism was noted as effective in addressing their concerns. The feedback also highlighted the importance of timely syllabus completion.

Action report: Complaint or deviation in completion of syllabus with lesson plans is addressed by concerned head of the department fortnightly. Add on courses and certificate courses are conducted so has reduce the gap between curriculum and industry requirements.

2.Teachers:

Feedback: Teachers' feedback indicated a mix of responses regarding the curriculum's effectiveness in preparing students for real-world challenges. Some faculty members suggested supplementing the curriculum with add-on programs to enhance students' employability. There was a willingness expressed among faculty to provide additional support to students, but concerns were raised about students who were less responsive and not academically inclined. Some teachers expressed interest in guiding students towards research endeavours.

Action taken: Meeting was held by the concerned heads with the department members and a decision was taken to motivate more students' skill development courses through industrial visits, visiting premiere institutes, arranging Alumni lectures and other guest lectures by industry people.

3. Alumni:

Feedback: Alumni recommended the design of programs or courses that bridge the gap between academic learning and industry/corporate requirements. They appreciated the conduction of guest lectures, workshops, and guidance for projects. The alumni stressed the importance of technical and soft skills development programs. Practical learning, including industrial visits, workshops, and involvement in live projects, was suggested to be given more emphasis. Activities related sports need to be improved

Action taken: Placement department along with concerned department heads are taking technical and soft skills but will be intensified. Since ours is a affiliated college, need to follow the curriculum designed by University and are having limitations however efforts will be made .Industrial visits, workshops, projects are going on in the college and will be improved as suggested by them. Activities related to sports are always encouraged but went

down a bit during covid time and increased later but with slow phase due do sudden demise of our Physical Director.

4.Parents:

Feedback: Parents suggested the implementation of more skill development programs to align with industry requirements. Some parents recommended extra classes for students who may be struggling academically. Some parents suggested for more accompanies towards Placements and training classes.

Action Taken: Placement department along with concerned department heads are taking technical and soft skills but will be intensified. Also department heads are in collaboration with various organizations are offering Add on course. Remedial classes are organized be department faculty to help slow learners. New companies who have not visited our college earlier like LTI-- Mind tree ,Zomato, phone pay, envoy global, KPMG, FIS etc., have visited and many more Will be visiting.

5. Employers:

Feedback: Feedback from employers emphasized the need for improvement in communication skills and soft skills among students. There was also a suggestion to enhance programming skills and technical competencies to meet industry demands.

Action Taken: Concerned heads of the departments are already conducting communication skills. soft skill and technical skills sessions for the students and will be intensified.
