Detailed report:

On the pleasant evening of 27th September 2019 we the students of Aurora Degree & P.G College, Class B.Com Generals 2B visited Bass Orphanage along with our Class In-Charge Mrs. Madhavi to spend some quality time with the kids. As we reached the venue, we were welcomed by beautiful smiles of the kids who were all lined up in the hallway to welcome us. The children then sang a welcoming song for us which was quite heart-warming. We all got settled down after the melodious song, to break the ice and to interact with the children we introduced ourselves and asked the kids to introduce themselves and what they want to become, to our surprise most of the kids wanted to become soldiers and protect their motherland which was very thoughtful of them.

For fun activity session and to involve all the kids we had a fun dancing session where all of us tapped our feet to the rhythm of the songs with joy. Later, the kids were served with the food that we got them which included Chinese Fried Rice, Noodles, Manchuria and Gulab Jamun for dessert.

As a token of love from our end we gifted the kids watches, water bottles and basic stationary kits which would be very useful for them. This was the end to our beautiful session which was quite a learning experience for all of us which has taught us to enjoy and appreciate little things in life. With gratitude in our hearts and smile on our faces we waved them goodbye. This was one amazing experience and we are thankful to our college and our class in charge for giving us this experience and the opportunity to serve others.
