NAME OF THE EVENT	Information and Misinformation during Covid-19 Crisis
TYPE OF EVENT	National Webinar
FACULTY INCHARGE	S. Padmavathi
DEPARTMENT	English and Humanities
DATE	28/05/2020
VENUE	Zoom
TARGET AUDIENCE	Students, Faculty, Administrative staff

OBJECTIVE:

To spread awareness about Covid19 and address the issue of misinformation and suggest ways to stay informed. Highlighting the concern about the damage caused by the deliberate creation and circulation of false or manipulated information relating to the pandemic.

BRIEF ABOUT THE EVENT:

This event was conducted online on Zoom and the invited speakers, Prof. K. Stevenson and Prof. B. Balaswamy, spoke at length about the various bytes of misinformation that had been going around since the onset of Covid-19. They suggested different websites and basic research procedures to screen and filter the information that comes to us to make sure we don't consume everything that comes our way. The role of Media and Government in spreading awareness was also briefly touched upon.

OUTCOME:

The participants learnt a lot of new ways to filter information and stay informed during this pandemic. It was a successful session in that the objective was achieved.

DETAILED REPORT:

As the pandemic motivated us towards optimum utilization of the virtual space, venturing into the same the Department of English and Humanities organised a Webinar on 'Information and Misinformation during Covid-19 Crisis' on 28th May 2020, with the objective to spread awareness about Covid19, address the issue of misinformation and suggest ways to stay informed. Highlighting the concern about the damage caused by the deliberate creation and circulation of false or manipulated information relating to the pandemic.

The Talk was delivered by Prof. K. Stevenson, Head of the Department of Mass Communication & Journalism, Osmania University and Prof. B. Balaswamy, Joint Director of Center for Digital Educational Technology, Osmania University.

Prof. K. Stevenson mentioned about United Nations launching 'Verified', an initiative to combat the growing scourge of COVID-19 misinformation by increasing the volume and reach of trusted, accurate information.

The presentation also involved a brief on the damage caused by the deliberate creation and circulation of false or manipulated information relating to the pandemic, address the issue of misinformation. Speaker also threw light on the initiative by Australia, Chile, France, Georgia, India, Indonesia, Latvia, Lebanon, Mauritius, Mexico, Norway, Senegal and South Africa, a total of 132 member states endorsing a cross-regional statement on "infodemic" or manipulated information.

Prof. B. Balaswamy mentioned that India along with 12 other countries, has led an initiative which was aimed at spreading fact-based content to counter misinformation on the coronavirus, with over 130 nations endorsing the global call to fight the "infodemic" relating to the COVID-19 pandemic.

Prof. B. Balaswamy has quoted UN Secretary General Antonio Guterres by saying, 'apart from fighting the deadly COVID-19 pandemic, the world is also seeing a "dangerous outbreak" of misinformation about harmful health advice, hate speech and wild conspiracy theories and antidote to this pandemic of misinformation is fact-based news and analysis.'

The speakers have concluded by saying, "It's hard but not impossible to filter what's reliable and trustworthy and what's not. Spreading awareness about Covid-19 is the key element to overcome misinformation". They've suggested trusted ways for our participants to stay informed as well.

Both the speakers have also answered questions from our participants related to Information and Misinformation, sources of information, trustworthiness in the current scenario, Covid19, Verified – initiative by UN, media’s stand/duty during the pandemic and many more.

We’ve got a positive feedback from the participants as their quires were thoroughly clarified by both speakers, thereby meeting the objective of the Webinar. Their responses were encouraging and satisfactory. Both the speakers were informative and the topics were relevant, especially at the time of the current pandemic.

Information and Misinformation

Prof.K.Stevenson
Head, Department of Journalism &
Mass Communication, OU

35 per cent fake videos

178 fact checks on Covid-19-related misinformation/disinformation from January to May, 2020.

Of these, much as 35% of them were fake videos, 29% images and a similar percentage were doctored messages on range of issues such as fake diagnosis and treatment, falsified quotes by celebrities with their photos, false notifications and lockdown guidelines among other.
