

DEPARTMENT OF COMMERCE

ANNUAL REPORT - 2021-2022

(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

The Department of Commerce was established in the year 1993 with Mr. Vinay Sharma as the first faculty with a moderate strength of 30 students. The College got the approval of the university to run the prestigious B.Com (Hons) in the year 1997-98 which proved to be a feather in Commerce department's cap. B.Com (Computers) was another course which the commerce department is adept at handling since 1998.

By 2006-07 the department has grown as the biggest department in the college with 22 faculty and 1200 students running the stream B.Com Regulars, Computers and Hons. In the year 2012-13 an additional section of B com Computers was sanctioned. B Com Computer Application was introduced in the academic year 2015-16. Additional section was sanctioned for B Com General in the academic year 2016-17.

In the Year 2021-22, the new course B.Com Business Analytics was made part of the Department with 24 student intake.

We navigated the entire year of hybrid teaching & learning both online & offline. Our faculty artfully blended into the new system of online teaching despite pandemic academic rigor prevailed. Students of B.com Generals & Honors achieved university ranks. A series of online workshops and guest lectures were conducted for students discovering and broadening their perspective. We made every effort to rope in the students who were drifting away from academics due to lack of motivation and regulation. Our focused efforts have impacted all the parameters.

1. Department Proposal 2021-2022

S.No	Event	Details	Tentative Date	Faculty Coordinator	
1	Placement Training	Covering Soft Skills, Economics, BO, FA, Eng, Costing, Insurance, Bs, Corp a/c and Mgt a/c	25th October To 30th October 2021	Veena Kapoor & N.Renuka	
2.	Interdepartmental Peer teaching	Tax Management for Non Commerce Stream Faculty	25th September 2021	T. Prasad D.Radhika G.Sandhyarani	
3..	MS word and PPT	Add on course duration 30hrs (for 1st yr students)	31/1/2022 to 17/2/2022	Veena Kapoor	

4.	Excel	Add on course duration 30hrs (for 2nd yr students)	01/02/2022 to 17/2/2022	Veena Kapoor	
5.	FDP	Research Methodology	26/3/2022	D.Radhika & M.Mamatha	
6.	Bridge course	For freshers who come from MPC	October 1st 2021	Subject Faculty	
7.	Remedial classes	For students who need extra support	15th Sept To 25th Sept 2021	Subject Faculty	
8.	Educational Visit	Visit to SEBI	24/3/ 2022	Sujatha.K	
9.	Professional Studies	CIMA	Nov 2021	Banu Prakash	
10.	MOOCS	Registration in Course On Communication Skills	Aug To Dec 2021	K.Sujatha	
11.	NDLI	Registrations & Use	Oct 2021	M.Mamatha	
12.	Faculty Refresher Course	Tally	March 1 2022 to 13 March 2022	I.Madhavi	
13.	Faculty Refresher Course	Theory and Practice of GST	March 14 2022 to March 26th 2022	M Mamatha	

14.	Guest Lecture	Cost Accounting/Advanced Accounting	Oct LastWeek	Prof.Maruti Rao Patil Vashista Degree College Zaheerabad	G Shiva shanker
15	Orientation Programme for B.com Comp Appl & M.com Final Year Students	Orientation Programme on Projects	Oct 3 rd Week		Dr.Padmini & Veena Malkhed
16	Student Development Programme for B.com Comp Appl & M.com Final Year Students	Research Methodology	Oct Last Week	Dr. Patrick	Madhuri P
17	Orientation Programme for B.com Comp Appl & M.com Students First Year Students	MOOCS	Nov 1 st Week		Madhuri P& KSN Shastry
18	Student Development Programme for B.com Comp Appl & M.com Final Year Students	Personality Development Programme.	Nov 2 nd Week	Srinivasan (Swell Financial Services (P) Lid.,)	Dr.Padmini
19	FDP	FDP on Learning Methodologies in Regular Curriculum	Nov 2 nd Week	Dr. T Ravi Kumar Rtd Principal of Engg College Corporate & JCI Trainer	Madhuri P
20	Faculty Exchange	Business Economics	Nov Last	Aurora's Degree and PG College - Veena	Veena Malkhed

	Programme - ADC & IPGDW		Week	Malkhed Indira Priyadarshini Govt. Degree College for Women-	
21	Workshop – Students of 2 nd and Final Year	Workshop on Data Analysis	Nov 22 nd & 23 rd	Alok Singh from Impact Education	Madhvilatha P
22	Student Exchange Programme - ADC & IPGDW	Computerised Accounting	Dec 1 st Week	Aurora's Degree and PG College - G Shiva Shanker Priyadarshini Govt. Degree College for Women	Veena Malkhed
23	FDP	Case Study as a Learning Methodology	Dec – Not yet Finalized	Dr. Patrick	Madhuri P
24	Add On Course	Tally – TCS,TDS & Pay Roll Accounting	Dec – Not yet Finalized	NTCC – Times Education	Lakshmi W
25	FDP – On The Write Path	Writing Skills – Paper Presentation, Content Development, Chapter Writing	Jan 1 st Week	Dr. Ramana Murthy(Principal)Vija ya Nagar College of Commerce	Aruna T
26	Value Added Course	Advance Excel	Jan Last Week	NSIC	Sathish Kumar
27	Symposium For UG & PG	Paper Presentation National Conference For UG & PG Students	Feb 2 nd Week	In Collaboration with R&D of ADC	Dr.Padmini
28	Guest Lectures &Placement Classes – Soft Skills Development				KSN Shastry

18. Review & Comments on Previous year Plan (Department , Faculty)

- All events proposed were organized by the department
- Faculty has participated and presented papers in conferences as per R&D norms
- Faculty has published papers in journals as per R&D norms
- Organized two successful social Events
- Organized an Add-on Course on Tally and GST in Collaboration with NSIC

- Workshop and Guest lectures for students were Conducted
- But could not take them to industrial tours as the number of working days were reduced this semester.

19. Plan for the Next Academic Year (Department, Faculty)

- ❖ For the Students we are planning to organize few Educational Visit -
- ❖ Industrial visits apart from
- ❖ Workshop and
- ❖ Add on Courses for students.

Faculty:

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1.	Industrial Visit	S Krishna Priya	September'22& January'23
2.	Workshop	Madhavi Latha P	October'22 & March 23
3.	Faculty Development Programme & Guest Lecture	Dr.Padmini	November'22 & February'23
4.	Faculty Exchange Programme - InterState & Educational visit to SEBI	Veena Malkhed	September'22 & January '22
5		Sathish Kumar	
6	Guest Lectures	Aruna T	August'22 & October'22
7.	Faculty Exchange Programme & Guest Lecture	Shiva Shanker G	October 2022 & March 2023

20. Conclusion (HOD's Remarks)

Due to the pandemic, the no. of working days were reduced to 45 days. Even then all the faculty members could complete the syllabus by taking extra sessions to the students. Apart from subjects, all the events were conducted successfully, involving all the students in different activities, to enhance their leadership and management skills.

DEPARTMENT OF MANAGEMENT
ANNUAL REPORT - 2021-2022
(Jan 2021 to May 2021)

1. BRIEF ABOUT THE DEPARTMENT

The Bachelor of Business Administration (BBA) Department at Aurora's Degree and PG College, was established with the approval of Osmania University in the year 2012-13 to provide high-quality management education to a wide cross-section of students both local and international. The intake of the first batch of students was 47.

The Department has a reputation for innovative programme design, up-to-date curriculum, quality courseware, personalised instruction and strong industry interface. In a short span of time, the Department of BBA has grown impressively and achieved widespread recognition from industry and academic circles. The Department has a unique culture of its own, right from its inception.

BBA course offers knowledge and training in management and imparts leadership skills to students to prepare them for managerial roles and to become future entrepreneurs. The course is designed to provide knowledge and skills, both functional and integrative, in the field of business. It develops a student's views and outlook on leadership, entrepreneurship and ethics. Students are trained to analyze concrete problems with the help of conceptual frameworks, theoretical insights and statistical and econometric tools along with computer applications. Areas of specialization include Finance, Marketing & Human Resource. It is a matter of great satisfaction that students and faculty act in unison to make the teaching-learning process a highly purposeful mission.

18. Review & Comments on Previous year Plan (Department, Faculty):

Due to the pandemic, Industrial visits could not be organised as planned. As the situation was expected to ease off though there were several Industrial Visits planned, the students could not be taken as planned.

19. Plan for the Next Academic Year (Department, Faculty)

S.No	EVENT	DETAILS	TENTATIVE DATE
1	BRIDGE COURSE(FOR 1ST YEAR)	1.Business Economics	2 nd week of August 2021
2	Guest Lectures	1. Business Analytics	4 th week of August 2021
3	Add on Course	NSIC : Data Analysis using Excel	1st week of September 2021
4	FDP	Application of Statistical Tools for quantitative research	4 th week of December 2021

20. Conclusion (HOD's Remarks)

The year threw several challenges in terms of the pandemic & lockdown which were in force during the first part of the academic year. The faculty switched with ease from a chalk and board mechanism of teaching to using online platforms for teaching & quizzes as well. They met the challenges head on & successfully completed the syllabus on time ensuring at every step that the students were able to follow & understand the classes. Additionally, the first few months in June & July gave the faculty opportunities to enhance their knowledge by attending several webinars which were conducted online.

DEPARTMENT OF MATHEMATICS

ANNUAL REPORT - 2021-2022

(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

The department has knowledgeable faculty with extensive comprehension in pure & applied Mathematics. The department contributes in achieving the mission of the institution by being the center of excellence. The department provides facilities and opportunities to the students to gain knowledge which helps them to progress in the career by organizing various activities like seminars, webinars, workshops and add on courses. The students of undergraduate are imparted with strong fundamentals and basic techniques required for pursuing career in academics and industry. The students of postgraduate course are introduced to advanced subjects and specializations in Mathematics so that they can flourish in their future endeavors very confidently.

5. Coordinators/Convenors/Facilitators/NAAC Criteria list(Clubs & Cells) (with Email, Mobile No)

Faculty Name	NAAC Criterion/ Club/Cell	Head/ Facilitator Convenor Or Member	Mobile Number (CUG)	Personal Number	Email Id (@adc.edu.in)
Dr. Meera Joshi	Student Activity	Facilitator	9100000565	9866228635	meerajoshi@adc.edu.in
P. Chandrakala	NAAC Criterion 7	Head	9100000533	8309002514	chandrakalap@adc.edu.in
P. Chandrakala	Social Activity Cell & MIP	Convenor	9100000533	8309002514	chandrakalap@adc.edu.in
M Devika	Alumni Association	Convenor	9100000526	8801176396	devikam@adc.edu.in
Y Sri Krishna Mohan	Placement Committee	Convenor	9100000550	9848112980	srikrishna mohany@adc.edu.in

M. LathaSalome	NAAC Criterion-IV	Head	9100000597	9440135544	lathasalome@adc.edu.in
M. LathaSalome	Equipment Maintenance Cell	Convener	9100000597	9440135544	lathasalome@adc.edu.in

6. Classes handled and Result for 2021-2022 (Subject, Year)

(i)Classes for 2021-2022 (Subject, Semester)

Faculty Name	Section	Subject	Sem
Prathibha G	MPCs 3A(M5)	Linear Algebra	V
	MECs 3A(M5)	Linear Algebra	V
	MECs2A(M3)	Real Analysis	I
	MPCs1(M1)	Differential and integral Calculus	VI
	MPCs3A(M6)	Numerical Analysis	VI
	MPCs3C(M6)	Numerical Analysis	VI
	MECs3A(M6)	Numerical Analysis	IV
	MPCS2A(M4)	Algebra	IV
Dr Meera Joshi	MSCs 3A(M5)	Linear Algebra	V
	PG(1 SEM)	Mathematical Analysis	I
	PG (2 SEM)	Lebesgue Measure & Integration	II
	PG(Sts)(1 SEM)	Linear Algebra	I
	MSCs3D (M6)	Numerical Analysis	VI
	MSCs 2A(SEC 3)	Leadership and Management Skills	IV
	PG (3 SEM)	Linear Algebra	II
	PG(2 SEM)(21-22)	Lebesgue Measure & Integration	II
	PG(4 SEM)(21-22)	Analytical Number Theory	IV
P Chandrakala	MSCs 3B(M5)	Linear Algebra	V
	MSCs 3C(M5)	Linear Algebra	V
	PG(1 SEM)	Abstract Algebra	I
	PG(2 SEM)	Galois Theory	II
	MSCs 3B(M6)	Numerical Analysis	VI

	MSCs 3C(M6)	Numerical Analysis	VI
	PG(3 SEM)	Operations Research	III
	PG(2 SEM)(21-22)	Galois Theory	II
	PG (4 SEM)(21-22)	Advanced Operations Research	IV
Y. Sri Krishna Mohan	MSDs 2(M3)	Real Analysis	III
	MSCs 3D(M5)	Linear Algebra	V
	PG(1 SEM)	Elementary Number Theory	I
	MSDs 2(M4)	Algebra	IV
	MSCs 2A(M4)	Algebra	IV
	PG(4SEM)(21-22)	Integral Equations & Calculus of Variations	IV
	MSDs 2(M3)	Real Analysis	III
Latha Salome M	MSDs1	Differential and integral Calculus	I
	MSCs1A	Differential and integral Calculus	I
	MSCs2A(SEC1)	Professional Skills	III
	PG(1 SEM)	Ordinary and Partial Differential Equations	I
	PG(2 SEM)	Theory of Ordinary Differential Equations	II
	MSCs 1A(M2)	Differential Equations	II
	MSDs 1(M2)	Differential Equations	II
	PG(3 SEM)	Functional Analysis	III
	PG(2 SEM)(21-22)	Theory of Ordinary Differential Equations	II
	PG(4 SEM)(21 - 22)	Elementary Operator Theory	VI
Madhavi Bulusu	MSCs2A(SEC 3)	Logic & Sets	III
	MSCs2B(SEC 3)	Logic & Sets	III
	MSCs1B(M1)	Differential and integral Calculus	I
	PG(1 SEM)	Discrete Mathematics	I
	PG(2SEM)	Topology	II
	PG(1 SEM)(CS)	Discrete Mathematics	I
	MSCs 1B(M2)	Differential Equations	II

	MSCS2A(SEC4)	Vector Calculus	IV
	MSCS2B(SEC4)	Vector Calculus	IV
	MSc.(3 SEM)	General Measure and Integration	III
	MSc.(2 SEM)(21-22)	Topology	II
	MSc.(4 SEM)(21-22)	Integral Transforms	IV
	MSCs2A(SEC 3)	Logic & Sets	III
	MSCs2B(SEC 3)	Logic & Sets	III
	MSCs1B(M1)	Differential and integral Calculus	I
	PG(1 SEM)	Discrete Mathematics	I
	PG(2SEM)	Topology	II
	PG(1 SEM)(CS)	Discrete Mathematics	I
	MSCs 1B(M2)	Differential Equations	II
	MSCS2A(SEC4)	Vector Calculus	IV
	MSCS2B(SEC4)	Vector Calculus	IV
M Devika	MECs 1(M1)	Differential & Integral Calculus	I
	MPCs3B(M5)	Linear Algebra	V
	MECs3B(M5)	Linear Algebra	V
	MPCs2A(SEC 2)	Logic & Sets	III
	MECs2A(SEC 2)	Logic & Sets	III
	MPCs2B & MECs2B (SEC2)	Logic & Sets	III
	MPCs3B(M6)	Numerical Analysis	VI
	MECs3B(M6)	Numerical Analysis	VI
	MECs 3C(M6)	Numerical Analysis	VI
	MPCs2A(SEC 4)	Vector Calculus	IV
	MECs2A(SEC 4)	Vector Calculus	IV
	MPCs2B & MECs2B (SEC4)	Vector Calculus	IV
R Chandrashekar	MPCs3C(M5)	Linear Algebra	V
	MECs3C(M5)	Linear Algebra	V
	MPCs2A(M3)	Real Analysis	III
	MPCs2B& MECs2B(M3)	Real Analysis	III

	MECs 2A(M4)	Algebra	IV
	MPCs 2B(M4)	Algebra	IV
	MPCs 1(M2)	Differential Equations	II
	MECs 1(M2)	Differential Equations	II
A Sandhyarani	MSCs2A(M3)	Real Analysis	III
	MSCs2B(M3)	Real Analysis	III
	MSCs2B(SEC 1)	Professional Skills	III
	MSDs2(SEC 1)	Professional Skills	III
	PG(2 SEM)	Complex Analysis	II
	MSCs 2B(M4)	Algebra	IV
	MSCs 3A(M6)	Numerical Analysis	VI
	MSDs 2(SEC3)	Leadership and Management Skills	IV
	MSCs 2B(SEC3)	Leadership and Management Skills	IV
	PG(3 SEM)(21-22)	Numerical Analysis	III

ii) Results Previous year(II,IV,VI) & Present Year (I,III,V)

Faculty Name	Section	Subject	Sem	Pass %
Prathibha G	MPCs3A(M8)	Vector Calculus	VI	91.7
	MPCs3B(M8)	Vector Calculus	VI	90.9
	MPCs3C(M8)	Vector Calculus	VI	95.9
	MPCs2A(M4)	Algebra	IV	38.8
	MECs1A(M2)	Differential Equations	II	60.8
	MECs1B(M2)	Differential Equations	II	73.7
	MPCs3A(M5)	Linear Algebra	V	69.4
	MECs3A(M5)	Linear Algebra	V	97.9
	MECs2A(M3)	Real Analysis	III	58.8
	MPCs1(M1)	Differential and integral Calculus	I	35.6
Dr. Meera Joshi	MSCs3A(M8)	Vector Calculus	VI	100
	MSCs3B(M8)	Vector Calculus	VI	97.9

8. Examinations UT/ Midterm/ Prefinals conducted.

Type Of Examination	Year/Sem	From	To
UT-1(MSCs,MPCs,MECs & MSDs)	I,II &III/I,III &V	20-12-2021	24-12-2021
UT-1(MSCs,MPCs,MECs & MSDs)	I,II &III/II,IV &VI	9-05-2022	19-05-2022

9. Research & Development

a) Conference/Webinar/Workshop/FDP Organized

S.No	Name of the Faculty	Name of the event	Title	Event Date	Level	No of Participants	Target Audience
1.	M.Devika& G.Prathibha	Webinar	Dimensionality reduction by feature projection and its effect on the classification Accuracy	12/06/2021	National	100	Faculty & Research Scholars
2.	M LathaSalome	Webinar	"A strong SHE is a strong WE"	15-07-2021	National	140	Faculty and students
3.	Dr. Meera Joshi	Conference	International e-conference on Innovations in Science, Technology, Commerce & management for welfare of society	29-31 July 2021.	International	120	Faculty & Research Scholars

17. Review & Comments on Previous year Plan (Department, Faculty)

Department efforts were successful in improving the results of both undergraduates and postgraduates. Activities like webinars, workshops were conducted, to make student understand the application part of the theory which is learnt in the classroom. Activities related to career plan, improving interview skills, social responsibility, etc., were conducted for the benefit of students and thus laying a foundation for their bright future. Add on course in "Vedic Mathematics" was continued for this year. Two students of B.Sc. completed online Foundation Course in Mathematics through MTTs program. Members of the Department have taken an initiative to conduct a Conference in collaboration with APTSMS and were successful. Also department faculty were successful in motivating PG students to present papers in National E-Seminar on "Role of Science and Technology for Future India -Challenges and Opportunities", ending up with Best presentation Award. The members of the department are involved in doing research activities like presenting and publishing papers, organizing conferences, workshops, FDP, National Seminars, etc; also two of the faculty members registered in Ph.D. program in various universities which shows a significant improvement in the growth of the department.

18. Plan for the Next Academic Year (Department, Faculty)

Departmental activities related to the betterment of the students introduced earlier will be continued as usual. Necessary planning and efforts will be made by the faculty to get best results in their concerned subjects. Conference related to recent trends in the field of Mathematics will be planned to inculcate research attitudes among postgraduate students. Projects for undergraduates will be planned to create interest in learning Mathematics. More webinars and Guest Lectures related to industry requirements will be organized with professionals from Industry to face challenges coming in their future endeavors. An Industrial visit for PG students will be planned to make them realize the importance of Research and Development in growth of the society.

19. .Conclusion (HOD's Remarks)

The Consistent efforts made by faculty in all round contributions of the department in College activities and Departmental activities have resulted in one more successful academic year. . The members of the department are deeply involved in doing research activities like presenting and publishing papers, organizing conferences, workshops, FDP, National Seminars, etc;A successful International Conference was conducted in collaboration with APTSMS. The department has ensured that the quality of education is upgraded for the student and teaching fraternity for achieving more milestones in the coming years.

DEPARTMENT OF STATISTICS
ANNUAL REPORT - 2021-2022
(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT

The Department of Statistics was established in the year 1991 with a vision of promoting Statistics as an interdisciplinary subject. The Department consists of faculty who are research-oriented, intelligent, and outspoken. The department believes in the idea that the vibrant academic environment is nurtured by highly motivated faculty, an opportunity to pursue research in advanced studies for students as well as faculty.

The department expanded with the addition of new courses Data Science, UG level and additional course PG in Applied Statistics at PG level, last year, the present data scientists need to have strong mathematical skills as well as programming skills needed to execute the complex algorithm used in the techniques for solving real-life problems. Collaborative activities are initiated at the international level this year to understand the need and importance of statistics in the advanced of technology.

Add-On course have initiated in partnership United Network of Professionals (UNP) with a systematic approach in orienting students and faculty to prepare student community with global skills.

18. Review & Comments on Previous year Plan (Department, Faculty)

As HOD initiated and signed an MOU with UNP for 3years for collaborative training programs for the students and faculty as part of skill development program, and as department, oriented projects with external support faculty, conducted an add-on course on Python, in addition to our regular department event celebrations.

19. Plan for the Next Academic Year (Department, Faculty)

K. Parimala Diana Sudhir

- 1) Projects work in collaboration with industry.
- 2) Publication of Research papers at international level.

J Vinita

1. To Present the Papers in Conferences.
2. To motivate students to get placed in Industry.
3. To create awareness among the faculty to present the papers in conferences.

D. Rajalakshmi

- 1) To prepare and clear NET exam

P. Anjaneyulu

- 1) Paper Presentation in National level conference

N.Sai Kishore

- 1) Interested in organizing workshop on R for commerce stream
- 2) To prepare and clear NET exam.

Y.Aruna Rekha

1. To create awareness of the software packages in the present era among the students.
2. To update myself in improving the educational qualifications and also clear NET.

Developmental activities:

K.Parimala Diana Sudhir

1. Concentrating on new areas of research to develop academically
2. Creating a self-learning environment through project delivery for students.

J Vinita

1. To Concentrate on research to develop academically
2. Creating a self-learning environment through project delivery for students.

P Anjaneyulu

1. Creating a self-learning environment through project Presentation for students.
2. Train the students to attend various entrance exams .

Y Aruna Rekha

1. To develop the research skills
2. Train students to develop analytical skills.

20. Conclusion (HOD's Remarks).

Parimala Diana Sudhir. K – HOD (till February 15th 2022)

- I have initiated and conducted consultancy work in the department by collaborating with Dangoria Trust
- Coordinated all the activities related to MSDS course with department of Statistics OU, TCS and Telangana Higher Education Department.
- Collaborative activities are initiated and conducted (Python course) in partnership with United Network of Professionals (UNP) at the international level this year to understand the need and importance of

Statistics/Data Science in the advancement of technology to prepare student and faculty for future challenges.

- Conducted workshop on R & FDP for faculty.

H K Madhu Sudhan Rao (as HOD from february2022 to April 28th 2022)

1. Guest lecture is conducted for PG students on Artificial intelligence neural networks
2. motivated the students for CRT training classes(PG &UG)
3. Conducted the event R.A FISHER'S Birth day .A lecture is arranged by the department
4. conducted the event KARL PEARSON Birthday .in connection with this event A webinar is organized on R- programming on line
5. The Department opted the Project instead of paper for Sem-VI students this year.

J Vinita (as HOD from 29th April 2022 onwards)

1. The Department conducted International Family Day.
2. Guided and motivated Students for Placements.
3. Mentored the data science students for mini projects.
4. National Statistical Day Was conducted and student took part in various activities.

DEPARTMENT OF PHYSICS
ANNUAL REPORT - 2021-2022
(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

The department of physics started from the inception of the college in 1990 at Gandhinagar.

The student undergoes a B.Sc course with Mathematics, Electronics and Computer Science and Mathematics, Physics and Computer Science with equal weightage given to all the three subjects.

The physics subject at the undergraduate level is divided into six papers in three years, six semester. the major areas such as mechanics& oscillations, thermal physics, Electromagnetic theory, Waves and Optics, Modern Physics, Electronics, heat and thermodynamics, Maxwell's equations, quantum theory, low temperature physics, blackbody radiation, thermo-electricity, optics, electrostatics, steady current, current electricity and electromagnetism. These areas are included because these will act as pre-requisites for advanced courses and aimed to target for research oriented programmers.

From academic year 2016 the course has been converted to CBCS with six semesters as prescribed by University. Students has to study physics in each semester as four credit course for theory and two credits for practical in all semesters.

2. HOD and Faculty members' list (with Email, &Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
C. Aruna (HOD)	10-06-2013	04-05-1975	Associate Professor	9491159905	arunac@adc.edu.in
Sunanda G	18 th April 2016	01 st may 1987	Assistant Professor	9603279008	sunandag@adc.edu.in
Aslam Shareef	04 th May 2017	09 th October 1988	Assistant Professor	9700348814	aslamshareef@adc.edu.in
BukkaUdayasree	04 th July 2019	23 rd August 1989	Assistant Professor	8885741180	bukkaudayasree@adc.edu.in

3. Guest Faculty list (with Email, Mobile no.)

Faculty Name	Designation & Organization	Class handled	Subject	Mobile Number	Email Id

4. Section In charge list (with Email&MobileNo)

Class/ Section	Semester	Faculty	Personal Number	Email Id (@adc.edu.in)

2	Udayasree B	College event	Abhiyaan	7/6/21 to 25/6/21	-	Event coordinator
3	Aslam Shareef	College event	Abhiyaan	7/6/21 to 25/6/21	-	Event convenor

16. Educational trips / Industrial Trips

S.No	Name of the Faculty	Place of visit/tour	Date From-To	No. of Students	Nature of the Trip

17. Students Achievements

S.No	Year /Sem	Roll No	Name of the Student	Class/ Sec	Achievement	Level	Remarks

18. Review & Comments on Previous year Plan (Department , Faculty):

- As per previous academic plan events, FDP, Guest lecturers were organized.
- Department members participated in the conference organized in the college.
- Could not able to organize Industrial Visit due to pandemic NGRI open day was not available.

19. Plan for the Next Academic Year (Department, Faculty)

- Motivate faculty for writing papers in notable journals
- Motivate faculty for register for PhD
- Encourage students for higher education in reputed institutes
- Counsel slow learners and conduct extra classes
- To conduct department events:

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1	Workshop	G Sunanda	18-11-2022
2	Add-On Course	B Udaysree	1 week of Sepetember
3	Industrial Visit-NGRI	G Sunanda & B Udayasree	26-9-2022
4	Dr APJ Abdul Kalam- Birthday Celebrations	G Sunanda	15-10-2022
5	Sir CV Raman Birthday Celebrations	B Udaysree	7-11-2022

20. Conclusion (HOD's Remarks)

- The department member actively participated organizing FDP and presented paper in conferences
- All faculty members implemented ICT tools in teaching and learning process.

(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

The department of electronics started from the inception in 1990 at Gandhinagar. The student undergoes a B.Sc course with Mathematics, Electronics and Computer Science with equal weight age given to all the three subjects. In Electronics subject students gain basic knowledge about Circuit Analysis in I Semester and Electronics Devices in II Semester. During II Year Analog circuits is taught in III Semester and Linear Integrated Circuits and Basics of Communications during IV Semester. During III Year V Semester Digital Electronics and Microprocessor, Digital communication and Embedded systems is studied in VI Semester. A course combining together a hardware and software aspects of electronic components with a special emphasis on microprocessors and microcontrollers is supposed to be one of the best alternatives for those who opt conventional courses in the place of engineering education. The students would be given rigorous work in timing programming and system maintained skills during their third year course of study.

From academic year 2016 the course has been converted to CBCS with six semesters as prescribed by University. Students have to study Electronics in each semester as four credit course for theory and two credits for practical papers.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
C Aruna	10-06-2013	04-05-1975	Associate Professor	9491159905	arunac@adc.edu.in
Dr.Radhika Rani L	04-06-2014	05/07/1979	Professor	9030099677	radhikaranil@adc.edu.in
R Sravan Kumar	19/06/2018	16/08/1980	Associate Professor	8978521900	Sravankumarr@adc.edu.in
P Poornachander	11/03/2018	25/07/1985	Assistant Professor	9849693056	Poornachanderp@adc.edu.in

6	Industrial Visit to RTTC	R SravanKumar	10-1-2023

- To conduct Workshop and add on course for students
- To organize guest lectures
- To organize faculty development program

20. Conclusion (HOD's Remarks)

- The department member actively participated and presented papers in International Conferences
- All faculty members implemented ICT tools in teaching and learning process.
- Efforts of faculty is significant in improving results.

DEPARTMENT OF COMPUTER SCIENCE

ANNUAL REPORT - 2021-2022

(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

We started the academic year 2021-2022 with the primary goal of working together as a team to ensure that the students will be provided with the foundation for a better future and career. To fulfilling this goal every faculty got involved in academic activities , that helped the students to understand the basic subject and its presentation in the examination.

Our faculty members have successfully conducted technical classes for Placements, helping the students in knowledge acquisition and understanding the system. Our faculty members have extended their services to other departments in conducting computer skills classes for Commerce courses.

Our faculty members have involved in Research activities through paper presentations & publications at National and International Conferences. Department has conducted guest lectures under IT Club to help students understand the new Technology, Industry requirements and Placement support. Our Lab Faculty supported the office and various departments in terms of system support requirements.

2. HOD and Faculty members' list (with Email, & Mobile Number)

18. Review & Comments on Previous year Plan (Department, Faculty):

- All events proposed were organized by the department.
- Faculty has participated and presented papers in conferences.
- Organized an Add-on Course on Multimedia in Collaboration with NIMSME.
- Organized FDP on Power BI
- Workshop and Guest lectures were conducted for students.
- Couldn't plan industrial tours as the number of working days were reduced in this semester.

19. Plan for the Next Academic Year (Department, Faculty)

1. Plan to conduct an International/National Conference.
2. Organize Guest lectures
3. Plan to conduct more remedial classes to improve the quality of results
4. Plan to organize more Add on courses.
5. Faculty plan to do more research work by presenting and publishing their papers in UGC recognized Journals.
6. All Department Faculty Members would like to take membership in different Professional bodies.
7. Plan to Organize Workshop and FDP.
8. Few faculties are interested in registering for a Ph.D.

20. Conclusion (HOD's Remarks)

The department could successfully complete all the events as per the plan. All faculty members implemented ICT tools in the teaching and learning process. Faculty has put their efforts in improving results.

DEPARTMENT OF CHEMISTRY

ANNUAL REPORT - 2021-2022 (June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

The Department of Chemistry was established and opened in August 1993 with four combinations offered. Chemistry is at the heart of many disciplines and is a core science discipline. The Department offers both undergraduate degrees and post graduate degrees. The Department believes in maintaining high standards and follows the guidance of the university and college in maintaining course study.

Department of Chemistry remains as one of the strong departments and its strength is because of young, energetic and dynamic faculty. The department comprises of seven faculties who are specialized in their area

of interest and competent enough to teach any branch of chemistry in under graduate program viz., Inorganic chemistry, Organic Chemistry and Physical Chemistry.

Faculty worked to maintain accessibility to our students and also work to collaborate with each other and other departments. We continue to work towards being the best all-around chemistry department.

One of our significant features is Laboratory. Department is well established and equipped with huge laboratories, which can cater laboratory sessions for 40 – 50 students at a time. The chemicals, apparatus and equipment's are updated and serviced on a regular basis.

The department has successfully conducted various events and the classes for both UG and PG were done according to the Almanac following lecture schedules. Theory classes were held in offline mode only. Later Faculty taught in online mode only due to third wave of COVID-2019. The faculty have taken classes for the students by using ICT tools as per guidelines given by Osmania university. Faculty taught in offline mode and online mode for both UG and PG students. Faculty taught classes in online mode by using Microsoft teams. Later all the classes conducted in offline mode only.

18. Review & Comments on Previous year Plan (Department, Faculty)

The faculty members have taken classes according to as per lesson plans. Results of UG improved compared to previous year results.

We have planned to conduct two departmental events. We conducted two events according to the planned schedule.

19. Plan for the Next Academic Year (Department, Faculty)

We are planning to conduct Faculty Development Program in the next academic year.

We are planning to register for Ph.D.

We are planning to improve the results in both UG and PG

20. Conclusion (HOD's Remarks)

The department has successfully conducted various events and the classes for both UG and PG were done according to the Almanac following lecture schedules. Faculty taught classes in online mode and offline mode.

Faculty members also organized two departmental events. Department faculty are preparing different online methods to understand the concepts in chemistry.

Mr.D. Ravi, M. Sc. (Organic Chemistry), cleared CSIR-UGC-JRF-2021.

DEPARTMENT OF BIOCHEMISTRY
ANNUAL REPORT - 2021-2022
(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT

The Department of Biochemistry has established new laboratories for both UG and PG students to conduct experiments in the field of Molecular Biology, Immunology, Enzymology, Plant Biotechnology, Biophysical techniques and Instrumentation Technology. The Department presently numbers 4 faculty duly ratified by OU and 1 Adhoc faculty. Departmental activities are supported very efficiently by one dedicated laboratory faculty. The faculty of the Department has major teaching responsibilities in both B.Sc., and M.Sc., course curricula. In aggregate, our faculty had a workload of 23 hours per week. The faculty of the Department continues to publish actively research papers, book chapters and review articles. During this academic year, 3 faculty members of the Department have presented their papers in conferences. The students of M.Sc., Biochemistry completed their project work both in-house and outside. They have presented their research papers in various National Conferences and Seminars organized in and outside the Hyderabad.

2. HOD and Faculty members list (with Email & Mobile Number)

18. Review & Comments on Previous year Plan (Department, Faculty)

The number of research papers published is less in this year as compared to previous year. The Department could not organize the Educational trip or field trip because of pandemic. Further, the Department has planned to organize certificate course in Nutrition but due to COVID, it was not conducted. There is need for improvement in the areas of Add-on courses, Workshops and Educational Trips.

19. Plan for the Next Academic Year (Department, Faculty)

The Department is planning to organize Add-on courses, Faculty Development Program, Workshops and Educational Trips and Conferences for the next Academic year

20. Conclusion (HOD's Remarks)

The Department functions smoothly by the suggestions, support and co-operation extended from time to time by Dr. Viswanadham Bulusu, Principal, Aurora's Degree & PG College and the Management of the Institution. The Department is strongly invested in the planning process for adjunct courses, MOUs, training programmes, workshops and seminars and look forward to continue this effort. Overall, the department exhibits healthy, creative and conducive atmosphere and looking forward to the new opportunities that lie ahead.

18. Review & Comments on Previous year Plan

According to the earlier plan, Add on course was conducted. Events and guest lecture that were planned were not conducted due to Short OU semester almanac for this year .

19. Plan for the Next Academic Year

Two departmental events and two guest lectures are to be planned for the next academic year. Apart from them, two events are to be planned with library and alumni committee.

20. Conclusion (HOD's Remarks)

The pandemic situation has finished but the interest of the students was hit hard. Students had problem with concentrating in class in the odd semester and the no. of working days were decreased in even semester. This made the teaching the students challenging. There were problems in the odd semester with failures in practical exam with the first years. The problem was addressed and situation was rectified in even semsters.

18. Review & Comments on Previous year Plan

According to the earlier plan, Add on course was conducted. Workshop was planned and conducted along Biotechnology department.

19. Plan for the Next Academic Year

Two departmental events and two guest lectures are to be planned for the next academic year. Apart from them, two events are to be planned with library and alumni committee.

20. Conclusion (HOD's Remarks)

Students were having problem in concentrating in class in the odd semester and the no. of working days were decreased in even semester. Moreover, there was a problem with chemistry classes in 4th semester. There were problems in the odd semester with failures in practical exam with the first years.

DEPARTMENT OF ENGLISH
ANNUAL REPORT - 2021-2022
(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT

The English Department has emerged to be committed to teaching literature and critical thinking, continuing participation in research and scholarship, career counseling and placements with soft skills classes and mock interviews which help the students improve holistically. Apart from offering classes for the curriculum, we have also offered classes to catch the interest of the students through audio visual aids. Literary Club has been instrumental in developing the students to face the competitive world. A platform is given to the students through the bi-monthly college newsletter for creative writing. The year can be marked, as the Department has added another milestone for the institution to chronicle in its success stories.

18. Review & Comments on Previous year Plan (Department , Faculty)

The commencement of the academic year was with the aim to improve the academic performance, higher participation in extracurricular activities and foster learning to facilitate an overall development of the students.

Following are the activities conducted in the previous year:

- Active participation of the students in co-curricular and extra-curricular activities
- The Department organized various events for students
- National & International Webinars were conducted
- Counseling and career guidance to students

19. Plan for the Next Academic Year (Department, Faculty)

This year has turned out to be the year of achievements as well as learning. In the coming year the department would work towards cent percent results and work effectively to create outstanding students. The faculty would also work on their research and development. We would also use more innovative teaching methods and use the audio visual medium to improve the skills of the students and kindle their interests.

20. Conclusion (HOD's Remarks)

The department has a dynamic team and the youngsters should put more efforts in R&D. They should work to get admission for PhD.

DEPARTMENT OF LANGUAGES

ANNUAL REPORT - 2021-2022

(June 2021 to May 2022)

1. BRIEF ABOUT THE DEPARTMENT:

The year 2022-23 is another successful year with achievements in academics, Research and administration. Most of the Languages department faculty have presented and published research papers in National conferences. This academic year 2022-23 began with thorough planning by the department to enrich teaching using ICT Tools in the classrooms and seminars by the students. The Department of Languages conducted an Add-on course. The Department of Languages organized Guest Lecturers and a two day International Conference in Languages. More than 25 faculties from various institutions and states have participated and enriched themselves.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
Dr. K. Padmaja	25-6-2003 11-6-2006	1-6-1974	HOD & Proferror	9441859291	Padmaja_k@adc.edu.in
Dr. Shivhar Biradar	17-7-2013	2-2-1980	Associate Professor	8885826211	shivharb@adc.edu.in

18. Review & Comments on Previous year Plan (Department, Faculty)

Department:

- We the Department of Languages successfully completed all the plans of previous year.
- We have coordinated all activities of International Conference from Languages Perspective with the College Conference Committee

- Organized 5 Guest Lectures for all languages (exceeding the plan for 3) from the department successfully.
- We also organized one “Add on Course”
- Some of the faculty in the department presented and published articles in National and International Conferences.

Faculty: All the faculty of languages department fulfilled all their duties and completed assigned works in time successfully.

19. Plan for the Next Academic Year (Department, Faculty)

Department:

- The Department of Languages planning for 3 guest lectures for the next academic year.
- In the Department each faculty must publish at least 1 or 2 publications in the next academic year.

Faculty:

Dr. Shivhar Biradar: - Guest Lecture & paper Publications

Dr.N.Suryakanthi: - Guest Lecture & paper Publication

R.Heena: 1 paper Publication

D.V. Durga Bhavani: 1 paper Publication

M. Ramalakshmi Anasuya: 1 paper Publication

20. Conclusion (HOD's Remarks)

The Department of Languages consists of 6 faculties in the last academic year. Each faculty worked hard to complete the assigned tasks. Languages faculty published papers at National & International Levels. Organized Guest Lectures.
