

DEPARTMENT OF COMMERCE
ANNUAL REPORT - 2022-2023
(June 2022 to May 2023)

1. BRIEF ABOUT THE DEPARTMENT:

The department of commerce was established in the year 1993. The prestigious B.Com (Hons) course was introduced in the year 1997-98. B.Com (Computers) was another course which introduced in 1998. The department started running PG course, M Com since 2006-2007.

During the Academic year 2015-16, for administrative convenience, the Department of Commerce was divided into two Departments. Department I - includes B.Com General, B.Com Hons, B.Com Computers, B.Com Computer Applications and M. Com and the Department II - includes BBA.

The academic year began with a strategic overview, the vision for the year was to identify stakeholder's expectations. Faculty deliberated on the required strategies, processes and capabilities to realize faculty development and student development. The Department strived for academic excellence through innovations in program delivery and process driven systems, Add on courses like Business Analysis, Advanced Excel, Digital Marketing, Power Business Intelligence helped the students to be industry ready. Suitable internship opportunities & collaboration with industry promoted knowledge in the field of Commerce & Management, advances in research by promoting article writing, mini projects and major projects improved the culture of research, for having rewarding careers the students were encouraged to learn unlearn and innovate through participation in social cultural and academic activities, Captaincy, group leadership and coordinatorship provided them opportunity to lead and work with diverse groups, respect divergent views, handle ambiguity and manage diversity.

Commerce Department -Proposal for the Academic Year 2022-2023

Sno.	Event	Details	Tentative Date	Resource Person	Faculty Coordinator
1	Industrial Visit	Industrial Visit	September'22 & January'23	-	S Krishna Priya
2	Workshop	Student Development Programme	October'22 & March 23	Prof. Acharyulu	Madhavi Latha P
3	Conference	Commerce and Management	November'22 & February'23	-	Dr.Padmini

4	Faculty Exchange Programme - InterState & Educational visit to SEBI	Godutai College, Kalaburgi, Karnataka & Educational Visit	September'22 & January'22	-	Veena Malkhed
5	Guest Lectures	Work Life Balance	August'22 & October'22	Speaker from Industry	Aruna T
6	Faculty Exchange Programme & Guest Lecture		October 2022 & March 2023	-	Shiva Shanker G

S.No	Event	Details	Tentative Date	Faculty Coordinator
7	Remedial classes	For students who need extra support	October 1st week 2022	Subject Faculty
8	Bridge course	For freshers who come from MPC	October 1st week 2022	Subject Faculty
9	Placement Training	Covering Soft Skills, Economics, BO, FA, Eng, Costing, Insurance, BS, Corp a/c and Mgt a/c	October 2nd week 2022	Veena Kapoor
10	National Conference	Recent Trends In Commerce & Management	October last week 2022	Veena Kapoor
12	Professional Studies	CIMA/ACCA	November 3rd week 2022	Banu Prakash/SriRam
14	Value added Course	Analytics duration 30hrs	March 2nd week 2023	Suresh K & Anil J
16	Faculty Exchange Program	Data Analysis Tools	March 2nd week 2023	M.Mamatha

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
Dr.Viswanadham Bulusu	27 th August 1996	28/10/1970	Principal	9866666655	viswanadhamb@adc.edu.in
S Krishna Priya	3-06-2013	13-07-1976	HOD	9966066334	krishnapriya@adc.edu.in
Madhavi I	6 th June 2008 Relieved on 31/5/23	19/11/1984	Associate Professor	9177620676	madhavi@adc.edu.in
Sujatha K	8 th June 2011 Relieved on 31/5/23	26/11/1980	Associate Professor	9912997495	sujathak@adc.edu.in
Mamatha M	12 th May 2017(relieved on 3/12/22)	25/07/1988	Sr.Assistant Professor	9948526268	mamatham@adc.edu.in
Anil Kumar J	5 th June 2017	25/11/1979	Associate Professor	7095153913	anilkumarj@adc.edu.in
Radhika D	8 TH July 2019 Relieved on 31/5/23	11/01/1986	Sr.Assistant Professor	8121181790	radhikad@adc.edu.in
M.Nagarajan.	01st May 2009	07/10/1969	Associate professor	7729896937	mnagarajan@adc.edu.in
Madhavi Latha P	05-07-2010	9-10-1977	Associate Professor	9949667810	madhavalathap@adc.edu.in

18. Review & Comments on Previous year Plan (Department , Faculty)

- All events proposed were organized by the department
- Two Industrial Visit and two Educational Visits were organized this year
- Organized an Add-on Course on Advance Excel in Collaboration with NSIC
- Workshop and Guest lectures for students were Conducted
- But the faculty did not present and publish papers this year

19. Plan for the Next Academic Year (Department, Faculty)

- Faculty will be encouraged to contribute more towards research work
- A faculty development programme or a Workshop will be organized
- As a regular activity we will be organizing an Addon course to fill the curriculum gap.

Faculty:

S.NO	Name of the faculty		Proposal/Plan
1.	Veena Kapoor	Department	Match the task to the skill and get the best from each one, Accomplish teamwork, opening opportunities for

			personal and departmental development.
		Faculty	Implementing new teaching methodologies to develop critical thinking among students.
		Student	Implement a practical approach to learning.
2	Nagarajan	Department	Industrial Visit.
		Faculty	New Teaching methods.
		Student	Encouraging the students to plan for further studies
3	J.Anil Kumar	Department	Industrial Visit
		Faculty	Paper presentation, writing a book
		Student	Workshop on Fundamentals of Accounting

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1.	Industrial Visit	S Krishna Priya	September ' 2023
2.	Workshop	Madhavi Latha P	September 2023
3.	Guest Lecture	Dr.Padmini S	February 2023
4.	Add On Course	Aruna T	August '2023
5.	Social Activity	Nikitha G	October '2023

20. Conclusion (HOD's Remarks)

The Academic Year 2022-23 was a bit hectic for all the faculty members because of very less no. of working days as there was a change in Almanac (Preponement of last working day and increasing the no. of teaching hrs, to complete the syllabus on time). Apart from regular curriculum, we could conduct Industrial & Educational Visits, SDP, Guest Lectures and Addon course as planned for the students. We successfully

conducted Mock Interviews for final year students with the help of our Alumni students who are working in MNC's and got placed in our college Placements drive. The only remark I could find this academic year is we could not do much research work as expected.

DEPARTMENT OF MANAGEMENT
ANNUAL REPORT - 2022-2023
 (June 2022 to May 2023)

1. BRIEF ABOUT THE DEPARTMENT:(BBA,BBA(BUSINESS ANALYTICS))

The Department strived for academic excellence through innovations in program delivery and process driven systems, a new addition to the department was introduction of BBA Business Analytics course. Add on courses like Business Analysis, Advanced Excel, Digital Marketing, Power Business Intelligence helped the students to be industry ready. Suitable internship opportunities & collaboration with industry promoted knowledge in the field of Commerce & Management, advances in research by promoting article writing, mini projects and major projects improved the culture of research, for having rewarding careers the students were encouraged to learn unlearn and innovate through participation in social cultural and academic activities, Captaincy, group leadership and coordinatorship provided them opportunity to lead and work with diverse groups, respect divergent views, handle ambiguity and manage diversity.

2. Department Proposal 2022-2023

S.NO	EVENT	DETAILS	TENTATIVE DATE	FACULTY COORDINATOR
1.	Remedial classes	For students who need extra support	October 1st week 2022	Subject Faculty
2.	Bridge course	For freshers who come from MPC	October 1st week 2022	Subject Faculty

3.	Placement Training	Covering Soft Skills,Economics, BO, FA, Eng, Costing, Insurance,BS, Corp a/c and Mgt a/c	October 2nd week 2022	Veena Kapoor
4.	National Conference	Recent Trends In Commerce & Management	October last week 2022	Veena Kapoor
6	Interdepartmental Peer teaching	Investment management for Non Commerce Stream Faculty	November 2nd week 2022	Unnamalai C

18. Educational trips / Industrial Trips

S.No	Name of the Faculty	Place of visit/tour	Date From-To	No. of Students	Nature of the Trip
1	Mrs.Radhika & Mrs. Unnamalai	Veeramani Biscuit Industry	05-01-2023	100	Industrial Visit
2	Dr.G.Chamund	Startup, (MSME) Exhibition - Metro Bazar	14/09/22	40	Field visit

19. Students' Achievements

S.No	Year /Sem	Roll No	Name of the Student	Class/ Sec	Achievement	Level	Remarks
1	2022-2025	1051-22-684-001	A.Abhilasha	BBA	Won Gold in CM cup single & doubles	State	Badminton
2	2020-2023	1051-19-684-048	S.Tharun Reddy	BBA	played HCA 2 Day League Matches for the year 2021-2022	National Level Cricket	-

20. Review & Comments on year Plan (Department , Faculty)

All events were aligned as per plan, students were provided with new practical insights which they can apply in their career & professional pursuits, students also established valuable connections, tangible improvements were noticed in their research results.

21. Plan for the Next Academic Year (Department, Faculty)

S.NO	Name of the faculty		Proposal/Plan

1.	Veena Kapoor	Department	Match the task to the skill and get the best from each one, Accomplish teamwork, opening opportunities for personal and departmental development.
		Faculty	Implementing new teaching methodologies to develop critical thinking among students.
		Student	Implement a practical approach to learning.
2	C.Unnamalai	Department	Seminar by Alumni
		Faculty	Paper Presentation
		Student	Motivating students to publish paper
3.	J.Anil Kumar	Department	Industrial Visit
		Faculty	Paper presentation, writing a book
		Student	Workshop on Fundamentals of Accounting

22. Conclusion (HOD's Remarks)

The department progressed at an accelerating pace to be responsive and proactive to the emerging needs of the academic community, we tried to imbibe the culture of hard work, students activities have been a difficult area in the last year but in this year the students could achieve their creative abilities, the department continuously addresses itself towards establishing a learning environment that keeps track of their aspirations.

23. Department Proposal For upcoming academic year 2023-2024

S.NO	EVENT	DETAILS	TENTATIVE DATE
1.	Bridge course	For freshers who come from MPC	Aug 2nd week
2.	Placement Training	Covering Soft Skills, Economics, BO, FA, Eng, Costing, Insurance, Bs, Corp a/c and Mgt a/c	July 1st week

3.	Industry Connect	Internships,Field visits	Sep 2nd Week
4.	Professional Studies	CIMA/ACCA	July 2nd Week
5.	Add on Course	Tally,BI,Excel	August last week
6.	Value added Course	Soft skills	Oct 2nd Week
7.	FDP	IPR	Dec 1st Week
8.	Guest Lecture	Data Analysis Tools	Nov 1st Week
9.	Workshop	Google Form Creation	Oct Last Week

DEPARTMENT OF MATHEMATICS

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

The department has knowledgeable faculty with extensive comprehension in pure & applied Mathematics. Teaching profession requires consistent gain of knowledge every year and it is important to learn new systems, tools, and features that can help in advancement of teachers and learners. In accordance with NEP2020 which aims to recognize the need to evaluate "higher order skills" such as creativity, critical thinking, problem solving, visualization, and idea generation among the stakeholders, 75% of the faculty in the department are pursuing Ph.D./Research with a multidisciplinary perspective. The faculty of the department is eager to teach various interdisciplinary subjects to keep themselves abreast and in tune with the institutional goals which lead to the student growth and improve their chance of higher education & employment. The department facilitates the students to gain knowledge for progressing in career by organizing various activities like Conferences, seminars, webinars, workshops and add on courses. The students of undergraduate are imparted with strong fundamentals and basic techniques required for pursuing a career both in academics and industry. The students of postgraduate course are introduced to advanced subjects and specializations in Mathematics with a multidisciplinary approach so that they can flourish in their future endeavors very confidently.

1. HOD and Faculty members list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
Prathibha G	20 th April 2005	06/03/19 82	Head,Associate Professor	9989543459	prathibag@adc.edu.in
Dr.Meera Joshi	18 th July 2001	25/10/19 67	Professor	9866228635	meerajoshi@adc.edu.in
P. Chandrakala	18/05/2007	01/01/19 74	Associate Professor	871289728	chandrakalap@adc.edu.in
M Devika	18/05/2007	04/06/19 83	Associate Professor	9441664912	devikam@adc.edu.in
Y Sri Krishna Mohan	21/05/2008	20/07/19 73	Associate Professor	9951285023	srikrishnamohany@adc.edu.in
Ms. M. Latha Salome	7 th November 2012	20/9/197 6	Associate Professor	9440135544	lathasalome@adc.edu.in
Madhavi Bulusu		22/06/19	Associate	9247200747	madhavibulusu@adc.edu.in

	19 th Septembert 2014	74	Professor		
A Sandhya Rani	1/06/2018	2/05/198 6	Senior Assistant Professor	9000109682	sandhyarania@adc.edu.in

2. Guest Faculty list (with Email, Mobile no)

Faculty Name	Designation & Organization	Class handled	Subject	Mobile Number	Email Id
NIL					

3. Section Incharge list (with Email&Mobile No)

Class/Section	Faculty	Mobile Number (CUG)	Personal Number	Email Id (@adc.edu.in)
MP&ECs 3B	M Devika	9100000526	8801176396	devikam@adc.edu.in
MSCs 2A	M Latha Salome	9100000597	9440135544	lathasalome@adc.edu.in
MSCs 2B(Odd Sem)	Madhavi Bulusu	9100000547	9985627797	madhavibulusu@adc.edu.in

16. Review & Comments on Previous year Plan (Department, Faculty)

Department efforts were successful in improving the results of both undergraduates and postgraduates. Activities like webinars, Guest lectures were conducted, to make student understand the application part of the theory which is learnt in the classroom. Activities related to career plan, improving interview skills ,social responsibility, etc., were conducted for the benefit of students and thus laying a foundation for their bright

future. Add on course in "Vedic Mathematics" was continued for this year. Two Educational trips were organized to inculcate interest towards research in young minds. Department was successful in organizing a FDP in collaboration with APTSMS. The members of the department are involved in doing research activities like presenting and publishing book chapters, organizing conferences, workshops, FDP, etc.;

17. Plan for the Next Academic Year (Department, Faculty)

Departmental activities related to the betterment of the students introduced earlier will be continued as usual. Necessary planning and efforts will be made by the faculty to get best results in their concerned subjects. Conference related to recent trends in the field of Mathematics will be planned to inculcate research attitudes among postgraduate students. More webinars and Guest Lectures related to industry requirements will be organized with professionals from Industry to face challenges coming in their future endeavors. An Industrial visit for PG students will be planned to make them realize the importance of Research and Development in growth of the society.

18. .Conclusion (HOD's Remarks)

The relentless efforts made by faculty in wide-ranging activities of the College & Department has culminated in one more flourishing academic year. The members of the department are deeply involved in doing research activities like presenting and publishing papers, organizing conferences, Guest lectures, FDP, etc. A successful International Conference was conducted in collaboration with all the departments of the college. The department has ensured that the quality of education is enhanced for the student and teaching fraternity for achieving more milestones in the coming years in harmony with the NEP 2020. The department is already prepared with a mindset of paradigm shift for achieving new objectives by following modern pedagogy and implementing contemporary technology in teaching and learning process.

DEPARTMENT OF STATISTICS
ANNUAL REPORT - 2022-2023
(June 2022 to May 2023)

1. Brief about the Department

The Department of Statistics was established in the year 1991 with a vision of promoting Statistics as an interdisciplinary subject. The Department consists of faculty who are research-oriented, intelligent, and outspoken. The department believes in the idea that the vibrant academic environment is nurtured by highly motivated faculty, an opportunity to pursue research in advanced studies for students as well as faculty. The department expanded with the addition of new courses Data Science, UG level and additional course PG in Applied Statistics at PG level last year. Collaborative activities were continued at the international level this year to understand the need and importance of statistics in the advancement of technology. Add-On courses have been continued in partnership with United Network of Professionals(UNP) with a systematic approach in orienting students and faculty to prepare the student community with global skills. The Department with the vision to orient students from various streams, conducted add-on courses to commerce students.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
J Vinita	16-3-2020	18-8-1983	Senior Assistant Professor & HOD	9100000561	vinitaj@adc.edu.in

18. Review & Comments on Previous year Plan (Department, Faculty)

The Department continued an MOU with UNP for collaborative training programs for the students as part of skill development program. The department with the vision of overall development for all streams conducted an add-on course on Business Intelligence to commerce stream, in addition to our regular department event celebrations. The faculty of the department conducted projects for statistics and data science students final year and mini project for second year students to help them understand the practical aspect of the subject, in this regard, a visit to ISRO was coordinated. The efforts were successful in improving the results of both undergraduate and postgraduate programs. Activities like seminars, guest lectures were conducted to make students understand the application part of the theory which is learnt in classrooms.

19. Plan for the Next Academic Year (Department, Faculty)

The Department plans to conduct certificate courses, faculty development programme, workshops, educational trips and conferences for next academic year. Faculty plan to do more research by presenting and publishing papers in reputed journals. To encourage students for higher education in reputed institutes.

20. Conclusion (HOD's Remarks).

The consistent efforts made by faculty in all round contributions of the department in college activities and departmental activities have resulted in a successful academic year. The department member conducted consultancy work in the department by collaborating with Dangoria Trust. The department expanded collaborative activities add on course to commerce stream in partnership with United Network of Professionals (UNP) at the international level this year to understand the need and importance of Business Intelligence in the advancement of technology to prepare student for future challenges. The department has ensured that the quality of education is upgraded for the student and teaching fraternity for achieving more milestones in coming years.

1. Brief about the Department:

The department of physics started from the inception of the college in 1990 at Gandhinagar.

The student undergoes a B.Sc course with Mathematics, Electronics and Computer Science and Mathematics, Physics and Computer Science with equal weightage given to all the three subjects.

Physics subject at the undergraduate level is divided into six papers in three years, six semester. the major areas such as mechanics & oscillations, thermal physics, Electromagnetic theory, Waves and Optics, Modern Physics, Electronics, heat and thermodynamics, Maxwell's equations, quantum theory, low temperature physics, blackbody radiation, thermo-electricity, optics, electrostatics, steady current, current electricity and electromagnetism. These areas are included because these will act as pre-requisites for advanced courses and aimed to target for research oriented programmers.

From academic year 2016 the course has been converted to CBCS with six semesters as prescribed by University. Students has to study physics in each semester as four credit course for theory and two credits for practical in all semesters.

2. HOD and Faculty members' list (with Email, & Mobile Number)

18. Review & Comments on Previous year Plan (Department , Faculty):

- As per previous academic plan events, FDP, Guest lecturers were organized.
- Department members participated in the conference organized in the college.
- Could not able to organize Industrial Visit due to pandemic NGRI open day was not available.

19. Plan for the Next Academic Year (Department, Faculty)

- Motivate faculty for writing papers in notable journals
- Motivate faculty for register for PhD
- Encourage students for higher education in reputed institutes
- Counsel slow learners and conduct extra classes
- To conduct department events:

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1	Workshop	B. Udaya Sree	February 2024
2	Add-On Course	C.Aruna	1 week of September
3	Industrial Visit-NGRI	C.Aruna & B Udaya sree	26-9-2023
4	Dr APJ Abdul Kalam - Birthday Celebrations	C.Aruna	15-10-2023
5	Sir C V Raman Birthday Celebrations	B. Udaya Sree	07-11-2023

20. Conclusion (HOD's Remarks)

- The department member actively participated organizing FDP and presented paper in conferences
- All faculty members implemented ICT tools in teaching and learning process.

ANNUAL REPORT – 2022-2023
(June 2022 to May 2023)

1. Brief about the Department:

The department of electronics started from the inception in 1990 at Gandhinagar. The student undergoes a B.Sc course with Mathematics, Electronics and Computer Science with equal weightage given to all the three subjects. In Electronics subject students gain basic knowledge about Circuit Analysis in I Semester and Electronics Devices in II Semester. During II Year Analog circuits are taught in III Semester and Linear Integrated Circuits and Basics of Communications during IV Semester. During III Year V Semester Digital Electronics and Microprocessor, Digital communication and Embedded systems is studied in VI Semester. A course combining hardware and software aspects of electronic components with a special emphasis on Microprocessors and Microcontrollers is supposed to be one of the best alternatives for those who opt conventional courses in the place of engineering education. The students would be given rigorous work in timing programming and system maintained skills during their third year course of study.

From the academic year 2016 the course has been converted to CBCS with six semesters as prescribed by the University. Students have to study Electronics in each semester as four credit courses for theory and two credits for practical papers.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
C Aruna	10-06-2013	04-05-1975	Associate Professor	9491159905	arunac@adc.edu.i

18. Review & Comments on Previous year Plan (Department , Faculty)

- All events proposed were organized by the department
- Faculty has participated and presented papers in conferences as per R&D norms
- Faculty has published papers in journals as per R&D norms

19. Plan for the Next Academic Year (Department, Faculty)

- Motivate faculty for writing papers in notable journals
- Encourage students for higher education in reputed institutes
- To conduct outreach programs in Govt. School
- To conduct department events

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1	Faculty Development Program	C Aruna ,& Poornachander P	December,2023
2	Workshop	C Aruna	Feb,2024
3	Add-On Course	P Poornachander	2nd week of September,2023
4	Transistor Invention day	P Poornachander	16th December,2023
5	E Waste Management	C Aruna	17th November,2023
6	Industrial Visit to RTTC	P Poornachander	1st week of October,2023

- To conduct Workshop and add on course for students

- To organize guest lectures
- To organize faculty development program

20. Conclusion (HOD's Remarks)

- The department member actively participated and presented papers in International Conferences
- All faculty members implemented ICT tools in the teaching and learning process.
- Efforts of faculty are significant in improving results.

DEPARTMENT OF COMPUTER SCIENCE

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

1. Brief about the Department

We started the academic year 2022-2023 with the primary goal of working together as a team to ensure that the students will be provided with the foundation for a better future and career. To fulfill this goal every faculty got involved in academic activities that help the students to understand the basic subject and its presentation in the examination.

Our faculty members have successfully conducted technical classes for Placements, helping the students in knowledge acquisition and understanding the system. Our faculty members have extended their services to other departments in conducting computer skills classes for Commerce courses. The Department has conducted an Add On course on "Python Programming" for the UG students under skill development in Collaboration with MANAC Infotech(P) Limited. Our faculty members have been involved in Research activities through paper presentations & publications at National and International Conferences. Department has conducted guest lectures under IT Club to help students understand the new Technology, Industry requirements and Placement support. Our Lab Faculty supported the office and various departments in terms of system support requirements.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date Of Joining	Date Of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
J.Hari Prasada Rao	26/5/2006	31/12/1974	Vice principal	9849217871	harij@adc.edu.in
B Rajani	16-05-2008	04-06-1979	Associate Professor	9959966133	rajanib@adc.edu.in
Srinivas U	9 th June 2014	12/05/1976	Associate Professor	9247221118	srinivasu@adc.edu.in
Arjunarao R	15-06-2016	02-12-1977	Associate Professor	9246336979	arjunaraor@adc.edu.in
Suvarna Lakshmi C	01-09- 2017	25-12-1978	Sr. Assistant Professor	7674825007	suvarnalakshmic@adc.edu.in
Kavya V	11-11-2021	15-08-1995	Assistant Professor	8523834381	kavyav@adc.edu.in
N Padmashri	5-5-2022	21-5-1984	Assistant professor	9849151878	npadmashri@adc.edu.in
C Deepa	6-7-2022	5-1-1983	Sr.Assistant professor	9989931376	cdeepa@adc.edu.in

18. Review & Comments on Previous year Plan (Department, Faculty)

- All events proposed were organized by the department.
- Faculty has Presented papers in conferences and Published Papers in Scopus Journals.
- Organized Add-on Course on “Python Programming” and “Android Application Development”.
- Workshop on “IT Hardware and Networking” and Guest lecture on “Data Privacy” were conducted for students.
- Couldn't plan FDP.

19. Plan for the Next Academic Year (Department, Faculty)

1. Plan to conduct an International/National Conference.
2. Organize Guest lectures.
4. Plan to organize Add-on and Certification Courses.
5. Faculty plan to do more research work by presenting and publish papers in UGC recognized Journals.
6. All Department Faculty Members would like to take membership in different Professional bodies.
7. Few faculties are interested in registering for a Ph.D.

20. Conclusion (HOD's Remarks)

In terms of result we improved comparative from previous year result. But Still we the department faculty do the best in getting good result. We impart valuable knowledge to our students, not only by class room teaching but also by introducing seminars, workshops, guest lectures & value added courses.

DEPARTMENT OF CHEMISTRY

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

1. BRIEF ABOUT THE DEPARTMENT:

The Department of Chemistry was established and opened in August 1993 with four combinations offered. Chemistry is at the heart of many disciplines and is a core science discipline. The Department offers both undergraduate degrees and post graduate degrees. The Department believes in maintaining high standards and follows the guidance of the university and college in maintaining course study.

Department of Chemistry remains as one of the strong departments and its strength is because of young, energetic and dynamic faculty. The department comprises of seven faculties who are specialized in their area of interest and competent enough to teach any branch of chemistry in under graduate program viz., Inorganic chemistry, Organic Chemistry and Physical Chemistry. Faculty worked to maintain accessibility to our students and also work to collaborate with each other and other departments. We continue to work towards being the best all-around chemistry department. One of our significant features is Laboratory. Department is well established and equipped with huge laboratories, which can cater laboratory sessions for 40 – 50 students at a time. The chemicals, apparatus and equipment's are updated and serviced on a regular basis. The department has successfully conducted various events and the classes for both UG and PG were conducted according to the Almanac following lecture schedules. Theory classes were held in offline mode only.

15. Review & Comments on Previous year Plan (Department, Faculty)

The faculty members have taken classes according to as per lesson plans. Results of UG improved compared to previous year results.

16. Plan for the Next Academic Year (Department, Faculty)

We are planning to conduct Faculty Development Program in the next academic year.

We are planning to register for Ph.D.

We are planning to improve the results in both UG and PG

17. Conclusion (HOD's Remarks)

The department has not conducted any events due to shortage of full time faculty and the classes for both UG and PG were done according to the Almanac following lecture schedules.

DEPARTMENT OF BIOCHEMISTRY

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

1. BRIEF ABOUT THE DEPARTMENT

The Department of Biochemistry has established new laboratories for both UG and PG students to conduct experiments in the field of Molecular Biology, Immunology, Enzymology, Plant Biotechnology, Biophysical techniques and Instrumentation Technology. The Department has presently 3 faculty duly ratified by OU and 1 Adhoc faculty. Departmental activities are supported very efficiently by one dedicated laboratory faculty. The faculty of the Department has major teaching responsibilities in both B.Sc., and M.Sc., course curricula. In aggregate, our faculty had a workload of 23 hours per week. The faculty of the Department continues to publish actively research papers, and review articles. The students of M.Sc., Biochemistry are doing their project work both in-house and outside.

18. Review & Comments on Previous year Plan (Department, Faculty):

The number of research papers published is less in this year as compared to previous year. The Department could organize the Educational trip or field trip to ICRISAT, Plant tissue Culture Lab & Alumni interaction. Further there is a need for improvement in the areas of, Workshops, R &D .

19. Plan for the Next Academic Year (Department, Faculty):

The Department is planning to organize Add-on courses, Faculty Development Programmes, Workshops and Educational Trips for the next Academic year.

20. Conclusion (HOD's Remarks):

The Department functions smoothly by the suggestions, support and co-operation extended from time to time by Dr. Viswanadham Bulusu, Principal, Aurora's Degree & PG College and the Management of the Institution. The Department is strongly invested in the planning process for Addon courses, MOUs, training programs, workshops and look forward to continue this effort. Overall, the department exhibits healthy, creative and conducive atmosphere and looking forward to the new opportunities that lie ahead.

DEPARTMENT OF BIOTECHNOLOGY

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

1. Brief about the Department:

The Department of Biotechnology has established new laboratories for both UG students to conduct experiments in the field of Microbiology, Molecular Biology, Immunology, Enzymology, Plant Biotechnology, Biophysical techniques and Instrumentation Technology. The Department presently has 3 faculty members. Departmental activities are supported very efficiently by a dedicated laboratory faculty member. The faculty of the Department has major teaching responsibilities in B.Sc., course curriculum. On aggregate, the faculty members had a workload of 23 hours per week. The faculty of the Department continues to publish actively research papers, book chapters and review articles

2. HOD and Faculty members' list (with Email, & Mobile Number)

18. Review & Comments on Previous year Plan

According to the earlier plan, Add on course was conducted. Events and guest lecture that were planned were not conducted due to medical emergency of faculty members and adjustment class for this year .

19. Plan for the Next Academic Year

Two departmental events and two guest lectures are to be planned for the next academic year. Apart from them, two events are to be planned with library and alumni committee.

20. Conclusion (HOD's Remarks)

Students were having problem in concentrating in class in the odd semester and the no. of working days were decreased in even semester. Moreover, there was a problem with chemistry classes in 4th semester. There were problems in the odd semester with failures in practical exam with the first years. Dr. B. Leelamani was on medical emergency since Feb 2023 and later applied for resignation. Dr. Pavan Chand has joined the department on 2nd March 2023 and took care of the madam's papers. After the end of the even semester, Dr. pavan Chand has also applied for resignation and approved.

17. Review & Comments on Previous year Plan

According to the earlier plan, Add on course was not conducted. Events and guest lecture that were planned were conducted along Microbiology department. We would like to list out the factors to be considered for the betterment of the department.

- Faculty has to go beyond regular teaching in order to reach out to the student
- In addition to chalk board and power point presentation, the faculty should ensure the involvement of student in the class by active participation
- Faculty has to improve his/her expertise by qualifying various exams that would elevate their cadre and occupational position
- Publishing articles which may be a review or research article would be an affirmative sign for the faculty as it will raise the standards in terms of productive contribution
- The faculty should persuade the student to enhance the confidence level for better performance in academics

- In addition to academics the student should be encouraged in extracurricular activities in order to relieve the academic pressure
- Weekly assessment to monitor the academic performance of the student has to be initiated
- Better counselling should be given to the students in presence of his/her parents and principal in order to ensure regularity and discipline
- Faculty assessment programs should also be initiated in order to evaluate them based on their ability to tackle the area of their expertise
- Students should be given the opportunity of seminars and poster presentation on a frequent basis for their evaluation

18. Plan for the Next Academic Year

We from the department of microbiology have decided to implement the following amendments to achieve an affirmative result.

- We are looking forward to make the students regular to the classes by modifying the pattern of lectures
- Interactive sessions shall be included during the class hours
- Frequent seminars and academic debates will be encouraged to ensure the active participation of the student in the events
- Faculty will try to clear the net and other competitive exams
- Faculty will take the initiative of conducting faculty development programs
- We will ensure that we will raise the bars of the department by publishing articles in reputed journals
- Academic presentation for the students will be organized at regular intervals to enhance the levels of communication
- Faculty has starting using Google class work as a mode of communicating with students and has started online classes for students.

19. Conclusion (HOD's Remarks)

We from the department of microbiology would like to convey our sincere gratitude to the management for providing us with the required prerequisites without which these landmarks and milestones would not have been possible. Thank you for the opportunities for professional and personal development provided to us. We assure that the Department will put all its efforts to improve the overall performance in the coming academic year

DEPARTMENT OF ENGLISH
ANNUAL REPORT - 2022-2023
(June 2022 to May 2023)

1. Brief about the Department

The English Department has emerged to be committed to teaching literature and critical thinking, continuing participation in research and scholarship, career counseling and placements with soft skills classes and mock interviews which help the students improve holistically. Apart from offering classes for the curriculum, we have also offered classes to catch the interest of the students through audio visual aids. Literary Club has been instrumental in developing the students to face the competitive world. A platform is given to the students through the bi-monthly college newsletter for creative writing. The year can be marked, as the Department has added another milestone for the institution to chronicle in its success stories.

18. Review & Comments on Previous year Plan (Department , Faculty)

The commencement of the academic year was with the aim to improve the academic performance, higher participation in extracurricular activities and foster learning to facilitate an overall development of the students.

Following are the activities conducted in the previous year:

- Results were excellent with 100% in PG and were good with above 90% in UG
- The Department organized various events for students
- International Conference was conducted
- Publication in UGC CARE Journal was taken care of
- Counseling and career guidance was given to students
- Placement Training was given to students

19. Plan for the Next Academic Year (Department, Faculty)

This year has turned out to be the year of achievements as well as learning. In the coming year the department would work towards cent percentage results and to create outstanding students. The faculty would also work on their research and development. We would also use more of innovative teaching methods and use the audio visual medium to improve the skills of the students and kindle their interests.

20. Conclusion (HOD's Remarks)

The Department of English has fared well this year with one faculty member, Sona P qualifying in Net exam , and two faculty members Sharon A Priyanka & Vineetha P qualifying in the SET exam. Our student results were also good. We contributed our maximum level in all the college events.

DEPARTMENT OF LANGUAGES

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

1. Brief about the Department:

The year 2022-23 is another successful year with achievements in academics, Research and administration. Most of the Languages department faculty have presented and published research papers in National conferences. This academic year 2022-23 began with thorough planning by the department to enrich teaching using ICT Tools in the classrooms and seminars by the students. The Department of Languages conducted an Add-on course. The Department of Languages organized Guest Lecturers and a two day International Conference in Languages. More than 25 faculties from various institutions and states have participated and enriched themselves.

20. Conclusion (HOD's Remarks)

The Department of Languages consists of 6 faculties in the last academic year. Each faculty worked hard to complete the assigned tasks. Languages faculty published papers at National & International Levels. Organized Guest Lectures

DEPARTMENT OF PSYCHOLOGY

ANNUAL REPORT - 2022-2023

(June 2022 to May 2023)

1. Brief about the Department:

The Department of Psychology has arose to be committed to teaching Psychology and critical thinking, continuing participation in research and development, career counseling and internships with therapeutic skills classes and mock case studies which help the students improve holistically. Apart from offering classes for the curriculum, we have also offered participation and paper presentations in conferences at international level. Psychology Lab has been instrumental in developing the students in various counselling skills including the clinical side.

1.	Dr. Ayesha Anjum	NPPA	Annual
2.	Dr. Ayesha Anjum	BCPA	Lifetime
3.	Mr. Seshagiri Rao Joshi	General Secretary of Association of Rehabilitation Psychologists.	

4. Review & Comments on Previous year Plan (Department, Faculty)

The commencement of the academic year was with the goal to enhance the academic performance, higher participation in research activities and foster learning to facilitate an overall development and growth of the students.

Following are the activities conducted in the previous year:

- Results were excellent with 100% promotions in PG
- The department attended various event along with the students
- International conferences were participated and paper presentations were done.
- Publication in UGC CARE Journal was taken care of
- Counseling and career guidance was given to students
- Clinical Training was given to the students

5. Plan for the Next Academic Year (Department, Faculty)

Next year the Department of Psychology would work more towards the internships and adhoc courses and to create outstanding students. The faculty would also continue working on their research and development. We would also use more of innovative teaching methods and use the audio visual medium to improve the skill of the students and kindle their interests.

6. Conclusion (HOD's Remarks)

The Department of Psychology has progressed well this year with active participation of faculties and students in research and development. Many publications and presentations were successful accomplished by the faculties and students of the Department of Psychology.
