

DEPARTMENT OF COMMERCE
ANNUAL REPORT - 2023-2024
(June 2023 to May 2024)

1. BRIEF ABOUT THE DEPARTMENT:

The department of commerce was established in the year 1993. The prestigious B.Com (Hons) course was introduced in the year 1997-98 B.Com (Computers) was another course which introduced in 1998. The department started running PG course, M Com since 2006-2007. B Com Computer Application was introduced in the academic year 2015-16. In the Year 2021-22, the new course B.Com Business Analytics was made part of the Department with 24 students intake.

The academic year began with a strategic overview, the vision for the year was to identify stakeholder's expectations, faculty deliberated on the required strategies, processes and capabilities to realize faculty development and student development.

The Department strived for academic excellence through innovations in program delivery and process driven systems, Add on courses like Business Analysis, Advanced Excel, Digital Marketing, Power Business Intelligence helped the students to be industry ready. Suitable internship opportunities & collaboration with industry promoted knowledge in the field of Commerce & Management, advances in research by promoting article writing, mini projects and major projects improved the culture of research, for having rewarding careers the students were encouraged to learn unlearn and innovate through participation in social cultural and academic activities, Captaincy, group leadership and coordinatorship provided them opportunity to lead and work with diverse groups, respect divergent views, handle ambiguity and manage diversity.

Commerce Department -Proposal for the Academic Year 2023-2024

4	II/III	1051-22-405-038	Gayatri	B.Com 2AComp Appl	Battle of Bands at Bhavans Degree College	Intercoll egiate	2nd Prize

18. Review & Comments on Previous year Plan (Department , Faculty)

- All events proposed were organized by the department
- Two Industrial Visit and two Educational Visits were organized this year
- Organized an Add-on Course on Advance Excel in Collaboration with NSIC
- Workshop and Guest lectures for students were Conducted
- But the faculty did not present and publish papers this year

19. Plan for the Next Academic Year (Department, Faculty)**20. Conclusion (HOD's Remarks)**

1. We could not conduct FDP as per Proposal.
2. We made students do and participate in Social activities and Intercollegiate Competitions in "EDUCATION WEEK" where complete event was managed and organised by Student coordinators and Students.
3. Alumni Guest lectures and Mockinterviews were conducted to develop the student skills for cracking the interview.
4. For doing Research Project which is Part of curriculum for final year students we organised Intercollegiate Seminar on *"HOW TO DO A RESEARCH PROJECT "

5. As not many finance related subjects are there for B.Com Comp Appl and B.Com Business Analytics Students we in collaboration with NSIC organised Workshop on the financial Terms. Even students participated in National Level quiz competition on financial terms which was conducted by NSIC
6. We organised Industrial Visits to 3 companies where Students had the practical exposure of the things which will be handled in Industries.
7. Overall in the last Academic Year we concentrated more on Student related activities than the faculty.

DEPARTMENT OF MANAGEMENT

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

BRIEF ABOUT THE DEPARTMENT BBA,BBA(BUSINESS ANALYTICS)

The Department constantly engages its students in various intellectual pursuits and equipping them with skills to face the challenges in academics and beyond to instil a sense of responsibility and develop organizational and leadership skills among the students various management events were conducted like student exchange program,educational visit to ISB, Industrial visit to organic farms etc.

14. List of Events & Social Initiative

Events 2023-2024			
S.no	Department of Commerce	DATE	Name of the Faculty
1	Cima Orientation Gen 1a,1h,Bba 1a,Bba Ba1	2/9/2023	Veena Kapoor
2	Placement Class Final Year	4,8,9/9&24,27/10&4/11	Sai Sir & Bharathi Ma'am
3	Ed Visit To Nsic	29/8/23	Madhavi Latha
4	Dr.Ravi Paturi's Memorial Event	6/9/2023	Veena Kapoor
5	Freshers Party Bcom Gen,Hons,Bba,Bba Ba	8/9/2023	Veena Kapoor
6	Power Bi Course Starting Date	8/9/2023	Unna
7	Guest Lecture On Campus To Corporate	9/11/2023	Unna, Aruna T
8	Soft Skills 3h,Bba 3a, Bba 1	20,21,22/11/23	Akhila

9	Project Orientation	31/1/24	Veena Kapoor
10	Inhouse Seminar On Budget By 1 Honours	6/2/2024	Veena Kapoor
11	Business Quiz	13/2/24	Nisha
12	Student Paper Presentation	16/2/24	Veena Kapoor
13	Student Exchange Program Badruka	16/2/24	Veena Kapoor
14	Alumni (Akash Anthony) Guest Lecture On Interview Skills And Mock Interview	21/2/24	Veena Kapoor
15	Isb Book Release	5/3/24	Veena Kapoor
16	Google Form Presentation By Hari Sir	23/3/24	Veena Kapoor

15. Educational trips / Industrial Trips

S.No	Name of the Faculty	Place of visit/tour	Date From-To	No. of Students	Nature of the Trip
1.	Nisha, Anjum	Industrial Visit Zinda Talis Math,Muskati,Apiculture	17/2/24	110	Industrial Visit
2.	Unnamalai, Anjum	Visit To Isb	14/2/24	UNNA	Educational Visit

18. Plan for the Next Academic Year (Department, Faculty)

S.NO	Name of the faculty		Proposal/Plan
1.	Veena Kapoor	Department	Match the task to the skill and get the best from each one,Accomplish teamwork,opening opportunities for personal and departmental development.
		Faculty	Implementing new teaching methodologies to develop critical thinking among students.
		Student	Implement a practical approach to learning.
2	Anjum	Department	Career Guidance
		Faculty	Paper Presentation
		Student	Workshop On Basic Banking forms ,
3		Department	Seminar by Alumni

		Faculty	Paper Presentation
		Student	Motivating students to publish paper
4	Nagarajan	Department	Industrial Visit.
		Faculty	New Teaching methods.
		Student	Encouraging the students to plan for further studies
5	J.Anil Kumar	Department	Industrial Visit
		Faculty	Paper presentation, writing a book
		Student	Workshop on Fundamentals of Accounting

19. Conclusion (HOD's Remarks)

The department progressed at an accelerating pace to be responsive and proactive to the emerging needs of the academic community, we tried to imbibe the culture of hard work, students activities have been a difficult area in the last year but in this year the students could achieve their creative abilities, the department continuously addresses itself towards establishing a learning environment that keeps track of their aspirations.

Department Proposal For upcoming academic year 2024-2025

S.No	Event	Details	Tentative Date
1.	Bridge course	For freshers who come from MPC	Aug 2nd week
2.	Placement Training	Covering Soft Skills, Economics, BO, FA, Eng, Costing, Insurance, Bs, Corp a/c and Mgt a/c	July 1st week
3.	Industry Connect	Internships, Field visits	Sep 2nd Week
4.	Professional Studies	CIMA/ACCA	July 2nd Week
5.	Add on Course	Tally, BI, Excel	August last week

6.	Value added Course	Soft skills	Oct 2nd Week
7.	FDP	IPR	Dec 1st Week
8.	Guest Lecture	Data Analysis Tools	Nov 1st Week
9.	Workshop	Google Form Creation	Oct Last Week

DEPARTMENT OF MATHEMATICS

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

The department has erudite faculty with widespread command in pure & applied Mathematics. It is mandatory for a teacher to be updated and consistently gain knowledge. It is important to learn new systems, tools, and features that can help in the advancement of teachers and learners. In accordance with NEP2020 which aims to recognize the need to evaluate "higher order skills" such as creativity, critical thinking, problem solving, visualization, and idea generation among the stakeholders, 75% of the faculty members in the department are pursuing PhD/Research with a multidisciplinary perspective. Teaching various interdisciplinary subjects has become a culture in the department as all the faculty members are having the skill of teaching various interdisciplinary subjects. The faculty is eager to keep themselves well-informed with new areas of subject in tune with the institutional goals which lead to the student growth and improve their chance of higher education & employment. The department organizes Conferences, seminars, webinars, workshops and add-on courses to facilitate the students to gain knowledge for progressing in their career. The students of undergraduate are imparted with strong fundamentals and basic techniques required for pursuing a career both in academics and industry. The students of postgraduate courses are introduced to advanced subjects and specializations in Mathematics with a multidisciplinary approach so that they can flourish in their future endeavors very confidently.

1. HOD and Faculty members list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
Prathibha G	20 th April 2005	06/03/1982	Head,Associate Professor	9989543459	prathibag@adc.edu.in
Dr.Meera Joshi	18 th July 2001	25/10/1967	Professor	9866228635	meerajoshi@adc.edu.in
P. Chandrakala	18/05/2007	01/01/1974	Associate Professor	871289728	chandrakalap@adc.edu.in
Y Sri Krishna Mohan	21/05/2008	20/07/1973	Associate Professor	9951285023	srikrishnamohany@adc.edu.in
Ms. M. Latha Salome	7 th November 2012	20/9/1976	Associate Professor	9440135544	lathasalome@adc.edu.in
Madhavi Bulusu	19 th September 2014	22/06/1974	Associate Professor	9247200747	madhavibulusu@adc.edu.in
A Sandhya Rani	1/06/2018	2/05/1986	Senior Assistant Professor	9000109682	sandhyarania@adc.edu.in

2. Guest Faculty list (with Email, Mobile no)

16. Review & Comments on Previous year Plan (Department, Faculty)

The efforts made by the members of the department were successful in improving the results of both undergraduates and postgraduates. Activities like seminars, Guest lectures, birthdays of prominent mathematicians were organized. The theme for Guest lectures and seminars were selected in such a way that helped students understand the application part of the theory which is learnt in the classroom and develop interest in the subject. Alumni interactions related to career planning, improving interview skills, social responsibility, etc., were conducted for the benefit of students and thus laying a foundation for their bright future. A Bridge course for first year students conducted by the department helped the students to recollect and revise the concepts of Mathematics which are the prerequisites for degree first year Mathematics. The members of the department are involved in doing research activities like presenting and publishing book chapters. The department has fulfilled the contribution towards society by teaching the high school students of Dr. BR Ambedkar School, Baghlingampally, Hyderabad. The faculty members taught for 2 weeks at school. A visit to Golden Temple helped students to improve their critical thinking skills.

17. Plan for the Next Academic Year (Department, Faculty)

Departmental activities related to the betterment of the students introduced earlier will be continued as usual. Necessary planning and efforts will be made by the faculty to get best results in their concerned subjects. The existing MOU will be renewed and efforts will be made to sign a MOU with industry. Conferences related to recent trends in the field of Mathematics will be planned to inculcate research attitudes among postgraduate students. More Workshops, Seminars and Guest Lectures related to industry requirements will be organized with professionals from Industry to face challenges coming in their future endeavors. An Industrial visit for students will be planned to make them realize the importance of Research and Development in the growth of the society.

18. Conclusion (HOD's Remarks)

The unrelenting efforts made by faculty members in extensive activities of the College & Department have culminated in one more successful academic year. The members of the department are deeply involved in doing research activities like presenting and publishing papers and organizing Guest lectures, alumni Interactions and academic social responsibility etc. The department has ensured that the quality of education is enhanced for the student and teaching fraternity for achieving more milestones in the coming years in harmony with the NEP 2020 and in tune with institutional goals. The department is already prepared with a mindset of paradigm shift for achieving new objectives by following modern pedagogy and implementing contemporary technology in teaching and learning process.

DEPARTMENT OF STATISTICS

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. BRIEF ABOUT THE DEPARTMENT

The Department of Statistics was established in the year 1991 with a vision of promoting Statistics as an interdisciplinary subject. The Department consists of faculty who are research-oriented, intelligent, and outspoken. The department believes in the idea that the vibrant academic environment is nurtured by highly motivated faculty, an opportunity to pursue research in advanced studies for students as well as faculty.

The department expanded with the addition of new courses Data Science, UG level and additional course PG in Applied Statistics at PG level last year. Collaborative activities were continued at the international level this year to understand the need and importance of statistics in the advancement of technology. The Department of Statistics has motivated PG statistics students to participate in international projects .

Add-On courses have been continued in partnership with United Network of Professionals(UNP) with a systematic approach in orienting students and faculty to prepare the student community with global skills. The Department with the vision to orient students from various streams , conducted add-on courses to commerce students .

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
J Vinita	16-3-2020	18-8-1983	Senior Assistant Professor & HOD	7989499917	vinitaj@adc.edu.in
K.Parimala Diana Sudhir	16-06-2006	20-2-1970	Associate Professor	9885128667	parimalasudheer@adc.edu.in
D Rajya Lakshmi	4-2-2018	22-10-1987	Assistant Professor	9966692259	rajyalakshmid@adc.edu.in
P.Anjaneyulu	7-1-2019	2-7-1987	Assistant Professor	9705302345	anjaneyulup@adc.edu.in
N. Sai Kishore	1-9-2021	4-01-1983	Assistant Professor	8309177287	saikishoren@adc.edu.in
Y Aruna Rekha	8-11-2021	14-08-1990	Assistant Professor	7989882005	yarunarekha@adc.edu.in

18. Review & Comments on Previous year Plan (Department, Faculty)

As part of the skill development program, the department oriented the projects with external support faculty, conducted an add-on course on Power BI and Python Programming , in addition to our regular department event celebrations. The Department of Statistics coordinates with the Dangoria Trust projects. The faculty interacted with professionals from industry, CR Rao's Institute , Indian Statistical Institute to gain expertise in

subjects. Successful alumni engagement was conducted. The faculty guided students to present research papers in conferences and seminars.

19. Plan for the Next Academic Year (Department, Faculty)

J Vinita :

1. To keep updated with the latest trends in software .
2. Creating a self-learning environment through project delivery for students.

P Anjaneyulu :

1. To create awareness of the software packages in the present era among the students.
2. To update myself in improving the educational qualifications and also clear NET
3. Paper Presentation in National level conference

N Sai Kishore:

1. Paper Presentation in National level conference
2. Interested in organizing workshop on R for commerce stream
3. To prepare and clear NET exam.

B Swapna:

1. Creating a self-learning environment through project delivery for students.
2. Train the students to attend various entrance exams

Y Aruna Rekha:

1. To develop the research skills
2. Train students to develop analytical skills.
3. Paper Presentation in National level conference
4. To prepare and clear NET exam.

D Rajya Lakshmi:

1. Encourage students to concentrate on Software Skills which are useful for Data Analysts and Data Scientists.
2. To clear TSSET and NET Exam

K.Parimala Diana Sudhir

1. Updating with new statistical methods and techniques.
2. Master software tools such as R, SPSS, and STATA.

20. Conclusion (HOD's Remarks).

1. The Department conducted Workshops , Industrial trips , and Projects.
2. The faculty are consultants to Dangoria Trust Projects to train students on projects.
3. The faculty interacted with professionals from, Industry, Prof.C.R.Rao's Institute, Indian Statistical Institute
4. The Department of Statistics invited alumni from successful organizations.
5. The faculty has encouraged PG statistics students to participate in international projects.
6. The faculty has guided students to present research papers in conferences and seminars.
7. The Department conducted successfully two Add on Course Business Intelligence with Power BI and Mastering Data Science & Machine Learning using Python Programming.

DEPARTMENT OF PHYSICS
ANNUAL REPORT – 2023-2024
 (June 2023 to May 2024)

1. Brief about the Department:

The department of physics started from the inception of the college in 1990 at Gandhinagar. The student undergoes a B.Sc course with Mathematics, Physics and Computer Science with equal weightage given to all the three subjects. The physics subject at the undergraduate level is divided into six papers in three years, six semesters. The major areas such as Mechanics and Oscillations, Thermal Physics, Electromagnetic theory, Waves and Optics, Modern Physics, Electronics. These areas are included because these will act as prerequisites for advanced courses and aimed to target research oriented programmers. From the academic year 2016 the course has been converted to CBCS with six semesters as prescribed by the University. Students have to study physics in each semester as four credit courses for theory and two credits for practical in all semesters.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)

18. Review & Comments on Previous year Plan (Department , Faculty):

- As per previous academic plan Department events: Dr APJ Abdul Kalam birthday celebrations and Sir CV Raman Birthday celebrations could not be conducted due to sudden declaration of holidays,
- Department was able to organize the Guest lecture, Addon Course and Industrial Visit successfully
- Department was able to organize in collaboration with other physical science departments Aavishkar 2024.

19. Plan for the Next Academic Year (Department, Faculty)

- Motivate faculty for writing papers in notable journals
- Motivate faculty for register for PhD
- Conduct career counseling sessions for students
- Counsel slow learners and conduct extra classes

Following proposed department events for next academic year:

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1	Workshop	B. Uday Sree	October 2024
2	Add-On Course	C.Aruna	February 2025
3	Industrial Visit-NGRI	C.Aruna & B Uday Sree	26-9-2024
4	Dr APJ Abdul Kalam - Birthday Celebrations- Guest Lecture	C.Aruna	15-10-2024
5	Sir C V Raman Birthday Celebrations-	B. UdaySree	07-11-2024

20. Conclusion (HOD's Remarks)

- Research and Development activities needs lot of improvement in the department
- Department members actively coordinated for various activities and in various committes

DEPARTMENT OF ELECTRONICS

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. Brief about the Department:

The department of electronics started from the inception in 1990 at Gandhinagar. The student undergoes a B.Sc course with Mathematics, Electronics and Computer Science with equal weight age given to all the three subjects. In Electronics subject students gain basic knowledge about Circuit Analysis in I Semester and Electronics Devices in II Semester. During II Year Analog circuits are taught in III Semester and Linear Integrated Circuits and Basics of Communications during IV Semester. During III Year V Semester Digital Electronics and Microprocessor, Digital communication and Embedded systems is studied in VI Semester. A course combining hardware and software aspects of electronic components with a special emphasis on microprocessors and microcontrollers is supposed to be one of the best alternatives for those who opt conventional courses in the place of engineering education. The students would be given rigorous work in timing programming and system maintained skills during their third year course of study. From the academic year 2016 the course has been converted to CBCS with six semesters as prescribed by the University. Students have to study Electronics in each semester as four credit courses for theory and two credits for practical papers.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)

	C Aruna	NAAC			Criteria-3	Head
1	C Aruna	Science Fest	AAVISHKAR-2024	28-02-2024	Organizing Committee	Coordinator
2	C Aruna	Convocation		07 th November 2023	Prize Distribution	Member
3	P Poornachander	NAAC			Criteria-5	Head
4	P Poornachander	Convocation		07 th November 2023	Prize Distribution	Member

16. Educational trips / Industrial Trips

S.No	Name of the Faculty	Place of visit/tour	Date From-To	No. of Students	Nature of the Trip
1	P.Poornachander	Meteorology Department, Begumpet	13-02-2024	20	Industrial Visit

17. Students' Achievements

S.No	Year /Sem	Roll No	Name of the Student	Class/ Sec	Achievement	Level	Remarks
1			Nil				

18. Review & Comments on Previous year Plan (Department , Faculty)

- All events proposed were organized by the department
- Faculty has participated and presented papers in conferences as per R&D norms
- Faculty has published papers in journals as per R&D norms

19. Plan for the Next Academic Year (Department, Faculty)

- Motivate faculty for writing papers in notable journals
- Encourage students for higher education in reputed institutes
- To conduct outreach programs in Govt. School
- To conduct department events

S.no	Name of the Event	Faculty Coordinator	Proposed dates
1	Faculty Development Program	C Aruna , & Poornachander P	December,2023
2	Workshop	C Aruna	Feb,2024
3	Add-On Course	P Poornachander	2nd week of September,2023
4	Transistor Invention day	P Poornachander	16th December,2023
5	E Waste Management	C Aruna	17th November,2023
6	Industrial Visit to RTTC	P Poornachander	1st week of October,2023

- To conduct Workshop and add on course for students
- To organize guest lectures
- To organize faculty development program

20. Conclusion (HOD's Remarks)

- The department members actively participated and presented papers in International Conferences
- All faculty members implemented ICT tools in the teaching and learning process.
- Efforts of faculty are significant in improving results.

DEPARTMENT OF COMPUTER SCIENCE

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. BRIEF ABOUT THE DEPARTMENT

We started the academic year 2023-2024 with the primary goal of working together as a team to ensure that the students will be provided with the foundation for a better future and career. To fulfil this goal every faculty got involved in academic activities that help the students to understand the basic subject and its presentation in the examination. Our faculty members have extended their services to other departments in conducting computer skills classes for Commerce courses. The Department has conducted Certificate course on "Masters in Website Development" for the UG students under skill development in Collaboration with SMARTAPP Technology Group. Our faculty members have been involved in Research activities through paper presentations & publications at National and International Conferences. Department has conducted guest lectures under IT Club to help students to understand the new Technology, Industry requirements and placement support. Our Lab Faculty supported the office and various departments in terms of system support requirements.

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date Of Joining	Date Of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)
J.Hari Prasada Rao	26-5-2006	31-12-1974	Vice principal	9849217871	harij@adc.edu.in

18. Review & Comments on Previous year Plan (Department, Faculty)

- All events proposed were organized by the department.
- Faculty has presented papers in conferences and Published Papers in Scopus Journals.
- Organized Certificate Course on “Masters in Website Development”.
- Guest lecture on “Career Guidance” and “Agile Methodology” were conducted for students.
- Arranged Industry visit for PG Students.
- Couldn't plan FDP.
- Organised Aavishkar in collaboration with Physical Science departments.

19. Plan for the Next Academic Year (Department, Faculty)

1. Plan to conduct an International/National Conference.
2. Organize Guest lectures.
3. Plan to organize FDP
4. Plan to organize Add-on and Certification Courses.
5. Faculty plan to do more research work by presenting and publish papers in UGC recognized Journals.
6. All Department Faculty Members would like to take membership in different Professional bodies.
7. Few faculties are interested in registering for a Ph.D.

20. Conclusion (HOD's Remarks)

In terms of result we improved comparative from previous year result. But Still we the department faculty do the best in getting good result. We impart valuable knowledge to our students, not only by class room teaching but also by introducing seminars, workshops, guest lectures & value added courses.

DEPARTMENT OF CHEMISTRY
ANNUAL REPORT - 2023-2024
 (June 2023 to May 2024)

1. Brief about the Department:

The Department of Chemistry was established and opened in August 1993 .. Chemistry is at the heart of many disciplines and is a core science discipline. The Department offers both undergraduate degrees and post graduate degrees. The Department believes in maintaining high standards and follows the guidance of the university and college in maintaining course study. Department of Chemistry remains as one of the strong departments and its strength is because of young, energetic and dynamic faculty. The department comprises of seven faculties who are specialized in their area of interest and competent enough to teach any branch of chemistry in under graduate program viz., Inorganic chemistry, Organic Chemistry and Physical Chemistry. Faculty worked to maintain accessibility to our students and also work to collaborate with each other and other departments. We continue to work towards being the best all-around chemistry department. One of our significant features is Laboratory. Department is well established and equipped with huge laboratories, which can cater laboratory sessions for 40 - 50 students at a time. The chemicals, apparatus and equipment are updated and serviced on a regular basis.

20. Review & Comments on Previous year Plan (Department, Faculty)

The faculty members have taken classes as per lesson plans. Results of UG improved compared to previous year results. We have planned to conduct two departmental events. We conducted two events according to the planned schedule.

21. Plan for the Next Academic Year (Department, Faculty)

We are planning to conduct Faculty Development Program in the next academic year.

We are planning to register for Ph.D.

We are planning to improve the results in both UG and PG

20. Conclusion (HOD's Remarks)

The department has successfully conducted various events and the classes for both UG and PG were done according to the Almanac following lecture schedules. The faculty members could not conduct any departmental events this academic year. We are planning to actively conduct departmental events in the next academic year. We are proud that our department has one patent for this academic year.

DEPARTMENT OF BIOCHEMISTRY

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. Brief about the Department

The faculty of the Department has major teaching responsibilities in both B.Sc., and M.Sc., course curricula. In aggregate, our faculty had a workload of 23 hours per week. The faculty of the Department continues to publish actively research papers, and review articles. The students of M.Sc., Biochemistry are doing their project work both in-house and outside. The Department of Biochemistry has established new laboratories for both UG and PG students to conduct experiments in the field of Molecular Biology, Immunology, Enzymology, Plant Biotechnology, Biophysical techniques and Instrumentation Technology. The Department has presently 3 faculty duly ratified by OU and 1 Adhoc faculty. Departmental activities are supported very efficiently by one dedicated laboratory faculty.

K.Laxmi Prasanna	Xenobiotics:Microbial Degradation	National Seminar on Microbiome Revolution	24th & 25th January 2024, Bhavan's Vivekanada College

18. Review & Comments on Previous year Plan (Department, Faculty):

The number of research papers published is less this year as compared to the previous year. Further there is a need for improvement in the areas of Workshops, R & D.

19. Plan for the Next Academic Year (Department, Faculty):

The Department is planning to organize Add-on courses, Faculty Development Programmes, Workshops and Educational Trips during the next Academic year.

20. Conclusion (HOD's Remarks):

The Department is in the planning process for Addon courses, MOUs, training programs, workshops and look forward to continue this effort. Overall, the department exhibits healthy, creative and conducive atmosphere and looking forward to the new opportunities that lie ahead.

DEPARTMENT OF BIOTECHNOLOGY

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. Brief about the Department:

The Department of Biotechnology has established new laboratories for UG students to conduct experiments in the field of Microbiology, Molecular Biology, Immunology, Enzymology, Plant Biotechnology, Biophysical techniques and Instrumentation Technology. The Department presently has 2 faculty members. Departmental activities are supported very efficiently by a dedicated laboratory faculty member. The faculty of the Department has major teaching responsibilities in B.Sc., course curriculum. On aggregate, the faculty members had a workload of 23 hours per week. The faculty of the Department continues to publish actively research papers, book chapters and review articles

2. HOD and Faculty members' list (with Email, & Mobile Number)

Faculty Name	Date of Joining	Date of Birth	Designation	Mobile Number	Email Id (@adc.edu.in)

17. Review & Comments on Previous year Plan

According to the earlier plan, Add on course was not conducted. Events and guest lecture that were planned were conducted along Microbiology department.

18. Plan for the Next Academic Year

Two department events and two guest lectures are to be planned for the next academic year. Apart from them, two events are to be planned with library and alumni committee.

19. Conclusion (HOD's Remarks)

Students had problem in concentrating in class in the odd semester and the no. of working days were decreased in even semester. Moreover, there was a problem with chemistry classes in 4th semester. There were problems in the odd semester with failures in practical exam with the first years.

DEPARTMENT OF MICROBIOLOGY

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. Brief about the Department:

The Department of Microbiology has established new laboratories for both UG and PG students to conduct experiments in the field of Microbiology, Molecular Biology, Immunology, Enzymology, etc. The Department presently has 5 faculty members. Departmental activities are supported very efficiently by a dedicated laboratory faculty member. The faculty of the Department has major teaching responsibilities in B.Sc., course curriculum. On aggregate, the faculty members had a workload of 23 hours per week. The faculty of the Department continues to publish actively research papers, book chapters and review articles

29. Review & Comments on Previous year Plan

According to the earlier plan, Add on course was not conducted. Events and guest lecture that were planned were conducted along Microbiology department.

30. Plan for the Next Academic Year

Two departmental events and two guest lectures are to be planned for the next academic year. Apart from them, two events are to be planned with library and alumni committee.

31. Conclusion (HOD's Remarks)

Students were having problem in concentrating in class in the odd semester and the no. of working days were decreased in even semester. Moreover, there was a problem with chemistry classes in 4th semester. There were problems in the odd semester with failures in practical exam with the first years.

DEPARTMENT OF ENGLISH
ANNUAL REPORT – 2023-2024
 (June 2023 to May 2024)

1. Brief about the Department:

The English Department has emerged to be committed to teaching literature and critical thinking, continuing participation in research and scholarship, career counseling and placements with soft skills classes and mock interviews which help the students improve holistically. Apart from offering classes for the curriculum, we have also offered classes to catch the interest of the students through audio visual aids. Literary Club has been instrumental in developing the students to face the competitive world. A platform is given to the students through the college newsletter for creative writing. The year can be marked, as the Department has added another milestone for the institution to chronicle in its success stories.

17. Review & Comments on Previous year Plan (Department , Faculty)

The commencement of the academic year was with the aim to improve the academic performance, higher participation in extracurricular activities and foster learning to facilitate an overall development of the students.

Following are the activities conducted in the previous year:

- Results were excellent with 100% in PG and were good with above 90% in UG
- The Department organized various events for students
- Publications in reputed Journals was taken care of
- Counseling and career guidance was given to students
- Placement Training was given to students

18. Plan for the Next Academic Year (Department, Faculty)

This year has turned out to be the year of achievements as well as learning. In the coming year the department would work towards cent percentage results and to create outstanding students. The faculty would also work on their research and development. We would also use more of innovative teaching methods and use the audio visual medium to improve the skills of the students and kindle their interests.

19. Conclusion (HOD's Remarks)

The English department faculty members have done a good job as active and accomplished instructors by pursuing a study and a discussion of humane ideas as they are found in the literature and culture of societies. Along with association and membership in professional organizations, English faculty have regularly participated in research, and pedagogical theory in the disciplines of literature and writing. We seeked to serve the larger academic community through event programming and collaborative projects.

DEPARTMENT OF LANGUAGES

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

1. Brief about the Department:

The year 2023-24 is another successful year with achievements in academics, Research and administration. Most of the Languages department faculty have presented and published research papers in National conferences. This academic year 2023-24 began with thorough planning by the department to enrich teaching using ICT Tools in the classrooms and seminars by the students. The Department of Languages was active having conducted Add-on Course, Guest Lecturers and Various Events.

17. Review & Comments on Previous year Plan (Department, Faculty)

Department:

- The Department of Languages successfully completed all the plans of the previous year.
- Organized 4 Guest Lectures for all languages (exceeding the plan for 3) from the department successfully.
- We also organized one "Add on Course"
- Some of the faculty in the department presented and published articles in National and International Conferences.

Faculty: All the faculty of languages department fulfilled all their duties and completed assigned works in time successfully.

18. Plan for the Next Academic Year (Department, Faculty)

Department:

- The Department of Languages is planning for 3 guest lectures for the next academic year.
- In the Department each faculty must publish at least 1 or 2 papers in the next academic year.

Faculty:

Dr. Shivhar Biradar: - Guest Lecture & paper Publications, Conduct an Add-On Course

Dr.N.Suryakanthi: - Guest Lecture & paper Publication

R.Heena: 1 paper Publication

D.V. Durga Bhavani: 1 paper Publication

M. Ramalakshmi Anasuya: 1 paper Publication

19. Conclusion (HOD's Remarks)

The Department of Languages consists of 6 faculties in the last academic year. Each faculty worked hard to complete the assigned tasks. Languages faculty published papers at National & International Levels. Organized Guest Lectures.

DEPARTMENT OF PSYCHOLOGY

ANNUAL REPORT - 2023-2024

(June 2023 to May 2024)

Brief about the Department:

The Department of Psychology has arose to be committed to teaching Psychology and critical thinking, continuing participation in research and development, career counseling and internships with therapeutic skills classes and mock case studies which help the students improve holistically. Apart from offering classes for the curriculum, we have also offered participation and paper presentations in conferences at international level. Psychology Lab has been instrumental in developing the students in various counselling skills including the clinical side.

17. Review & Comments on Previous year Plan (Department, Faculty)

The commencement of the academic year was with the goal to enhance the academic performance, higher participation in research activities and foster learning to facilitate an overall development and growth of the students.

Following are the activities conducted in the previous year:

- Results were excellent with 100% promotions in PG
- The department attended various event along with the students
- International conferences were participated and paper presentations were done.
- Publication in UGC CARE Journal was taken care of
- Counseling and career guidance was given to students
- Clinical Training was given to the students

18. Plan for the Next Academic Year (Department, Faculty)

Next year the Department of Psychology would work more towards the internships and adhoc courses and to create outstanding students. The faculty would also continue working on their research and development. We would also use more of innovative teaching methods and use the audio visual medium to improve the skill of the students and kindle their interests.

19. Conclusion (HOD's Remarks)

The Department of Psychology has progressed well this year with active participation of faculties and students in research and development. Many publications and presentations were successful accomplished by the faculties and students of the Department of Psychology.
